

T-BALL

Children will be taught fundamentals the first two weeks followed by 6 weeks of games. Games will be instructional in nature from the coaches (parents). A baseball glove will be required. Bats, balls, and helmets will be provided. Team assignments and game schedules will be sent out prior to the start date. We will try to be accommodating as possible, but once teams are set we will not be trading players, to assure that T-Shirts and Caps can be ordered in a timely manner. PARENTS- We need your help with coaching. This is a very rewarding experience to help mold and shape children to become better ball players, develop physical skills, and develop good character/attitude with team play. We would like to keep the coaching consistent so that you are able to be at most games. If we do not get enough volunteers to coach we would have to have larger teams which would mean less playing time for your child. We will be forming 6 teams for the 4-6 year olds, 6 teams for the 7-9 year olds. We would like one coach per team with a fill-in when the head coach cannot attend. There will be a coaches meeting at the Village Hall on May 31st, from 6-7 to go over rules, team assignments, and anything else that needs to be discussed. Registration and pay in full must be received by May 5th.
