Thereafter, from time to time, the Commission may recommend changes in the Official Plan. This plan may include reasonable requirements with reference to the streets, alleys and public grounds in unsubdivided land situated within the corporate limits or in contiguous territory not more than 12 miles beyond the corporate limits and not included in any municipality. These requirements shall be effective whenever this unsubdivided land is subdivided after the adoption of the Official Plan.

Following the adoption of the Official Plan no map or plat of any subdivision presented for record affecting land within the corporate limits of the Village or in contiguous territory outside of and not more than 12 miles from those limits and not included in any other municipality, shall be entitled to record or shall be valid unless the subdivision thereon shall provide for streets, alleys and public grounds in conformity with the Official Plan.

The Zoning Enforcement Officer shall forthwith transmit to the Chairman of the Commission all the papers constituting the record upon which the action appealed from was taken.

The terms of the relief recommended shall be specifically set forth in a conclusion or statement separate from the findings of fact of the Commission.

The Commission may take final action of any decision pertaining to an application pending before it prior to the preparation of written findings, but in such event it shall, before taking such action, first state its findings and conclusions as required herein at a meeting open to the public. The Commission's decision or recommendation shall be deemed made as of the date of taking such final action.

In any case where this Code or the Island Lake Zoning Code provide that the failure of the Commission to act within a fixed period is deemed to be a denial or recommendation of denial of an application, such failure, notwithstanding the absence of required findings and conclusions, shall be considered to be a decision of the Commission rendered on the day following the expiration of such fixed period.

The decisions of the Commission on appeals from orders, decisions or determinations of the Zoning Enforcement Officer shall be final administrative determinations subject to review as may be provided by law. The Commission's recommendations on applications for variations and other matters shall not be binding on the Board of Trustees but shall be advisory only.
