

VILLAGE OF ISLAND LAKE

Summer 2016 NEWSLETTER & RECREATION GUIDE June-August

From the Mayor's Desk

I recently had a non-resident ask why we named our Village "Island Lake". My response was that we have a lake that has two islands in it. The person responded, "That makes sense."

Then I thought, "I'll bet not all of our residents know about our lake and would like to know more about it." What better time to hear about it than when summer rolls around!

No matter where you live in the Village, the lake is open to you. It's a great lake for fishing, boating, swimming, and exploring. You can launch your boat—canoe, kayak, pontoon boat, sail boat, or rowboat—at Eastway Park as long as any motor you use is 10HP or less. And don't forget to buy the required boat stickers and display them on your boat.

For those who are interested in a leisurely guided tour of the lake, look inside the newsletter for boat tour information.

Several bathing beaches are located throughout residential areas on the lakefront. Briar Beach, South Shore Beach, Dorothy Court Beach, and Veterans Park Beach are good places to cool off on a hot day.

Bring your fishing pole to Eastway Park and Hyde Park (our newest park, located on Route 176 next to the spillway). Parking is limited at Eastway Park, but you can park at the Village hall and take a short, 1-block walk down Ivy Street to get there. Parking for Hyde Park is available on Lakeview Drive—but be careful on the short walk along Route 176.

I invite all residents to enjoy and make good use of our namesake feature. I also invite you to take advantage of other opportunities for summer fun here in Island Lake: Family friendly Concerts in the Park, Lakefest, the 4th of July Parade and Family Picnic, and the best fireworks around!

Have a good summer. I hope to see you at one of our events.

Anthony Sciarrone - Chief of Police

Sunshine, warm weather and school is out. Summer has come to Island Lake and everybody wants to have a good time. We here at the Island Lake Police Department want to see all of our residents fully enjoy their summer and their vacations safely and securely.

Reminder to Motorists to Watch out for Children: The Police Department wants to remind motorists that the youngsters will be playing in and around their yards. In many places around our community, the streets are narrow and without curbs or sidewalks. For children, the roadways often become an extension of the front yard playground. Be alert to the possibility that—without warning—children can be right there in front of your car. Observe our speed limits and take all precautions to avoid turning playtime into tragedy.

Reminder to Parents and Families: The roadways are not safe places for play. Please monitor where your children are to keep them out of harm's way.

Use Seatbelts and Child Safety Seats: Care enough to be sure that you and your passengers are protected when you travel by car. Make sure that you and all of your passengers are safely buckled up. It is the law, and it is the right thing to do.

Mobile Phone Safety: Pull over if you need to talk on your phone and please do not text while you are driving.

Safe Celebrations of Holidays and Fireworks: Memorial Day has just passed and the 4th of July, our Lakefest, and Labor Day are approaching. While years ago it was traditional to set off fireworks, that is no longer the case. During Lakefest on July 23, 2016, the Village of Island Lake will put on another of its first class fireworks displays. Please remember possession of fireworks by individuals is dangerous and illegal, by a State of Illinois law and Village ordinance. To ensure safety of our residents and their property, the Police Department takes a zero tolerance position towards fireworks being used by citizens. Please don't put a cloud over your holiday fun by bearing the consequences of possessing illegal and dangerous fireworks.

Severe Weather Safety: This time of year sometimes brings severe weather to northern Illinois in the form of torn adoes, high winds, damaging hail, and torrential rains. When severe weather approaches, please follow instructions from the National Weather Service, or local weather broadcast alerts.

House Watch List for Vacationers: If you are hitting the road or getting on a plane for a summer vacation. Call us to put your house on our house watch list. at 847-526-2100 and ask for Office in Charge..

Enjoy your Summer! Lastly, we hope you have fun and enjoy this summer; talk to you in the fall.

On August 2, 2016, at 6:00pm, the Island Lake Police Department will host

"America's Night out Against Crime", a nationwide effort against crime and drugs. All residents are encouraged to gather at the Island Lake Village Hall at 6:00pm for fun-for-all activities, followed by a march to the business district.

The Police Department asks everyone to turn on their outside lighting that night and join their neighbors in showing their commitment to keeping their neighborhoods safe.

For more information call 847-526-8764, ext. 7857.

Recently released ComEd base rate will be 6.275¢ per kWh through May 2017 and it will be lower than the Village's current electric aggregation program fixed rate of 6.556¢. Be aware, however, that the ComEd rate can change each month due to the floating PEA adjustment, so the ComEd rate can range from 5.695¢ to 6.815¢ per kWh during the next year.

The Village strongly recommend, 's that residents switch back to ComEd for the duration of the Village's program (October 2017). The Village aggregation program has no early termination fee, so any resident wanting to move to the lower ComEd rate may do so with no penalty by calling the Village's current supplier, Dynegy, at 1-844-351-7691. (Neither the Village nor ComEd can switch your account, only Dynegy.) Residents should have their ComEd account number on hand when they call.

Water Department – Patrick Stewart

Water Main Replacement Update: Ralph Ct., Hillside Dr. - On November 16, 2015, Berger Construction completed installing and putting into service roughly 800 feet of new water main on Hillside Dr. and Ralph Ct. Residents are required to hook up to it at their own expense no later than **November 16th, 2016**. To date, slightly over 50% of residents required to hook up have done so. Thanks go out to the residents who have completed these hook ups in a timely manner. Landscaping and asphalt rehab will be completed this spring and summer.

Upcoming Water Main Installation: Burnett Rd. from Midway Dr. to Spruce Terr. Berger Construction will install approximately 1,100 feet of new water main this summer on Burnett Rd. running from Midway Dr. on Burnett all the way to Spruce Terr. Letters will be sent to all residents that will be affected by this project.

Island Lake Water Department Lead Update: As stated in February's Newsletter, the Island Lake Water Department performed its lead sampling in July 2015 with an average result of 2.06 parts per billion. Keep in mind the Illinois Environmental Protection Agency Lead trigger level is 15 parts per billion. To give you a better idea of what 2 parts per billion is, imagine 2 single grains of salt mixed into 1 billion grains of sugar.

With the ongoing issues arising in Flint, Michigan the Island Lake Water Department decided to take our lead sampling one step further. On May 4, 2016, voluntary lead samples were taken at every daycare and school within the Island Lake Water System: Cotton Creek School, Mathews Middle School, "Young Scholars" daycare and "The Learning Tree" daycare. All four lead samples came back at less than 2.0 parts per billion. The Island Lake Water Department takes the health and safety of our residents very seriously, and would like all residents to know that your children are receiving safe and clean drinking water whether at school or daycare.

Important Message

It has been brought to our attention certain individuals are trying to capitalize on current fears based on national news about safe drinking water in their homes. These salesman or alleged "Water Filter Professionals" have used scare tactics and flawed data about water sampling to scare and mislead residents—especially senior citizens—about water quality. In some cases these individuals have claimed to work for the local water utility.

The Island Lake Water Department urges any resident receiving unsolicited calls or visits making claims about dangerous drinking water, "**Please call us!**"

Note: The Island Lake Water Department rarely knocks on your door asking to get into your home without making an appointment with you. If a Water Department employee does knock on your door, he should show a Village of Island Lake photo ID. If he doesn't offer it, **ask for it**.

- Water Department members drive white public works trucks that clearly say "Village of Island Lake" on both doors and the trucks all have Municipal license plates.
Water Department employees will never contact residents to sell products or services.
- Water Department employees will never request or accept money.
- Any solicitor going door to door must acquire a solicitor's permit from the Village. Ask to see this permit.
- The Island Lake Water Department tests our water 365 days a year—366 days in Leap Years.

If you have any concerns at all, **call the Water Department at 847-526-1954.**

Public Works

Who is behind the Green Shirt?

The Public Works Department Staff is a unique group of individuals charged with a wide range of duties and responsibilities.

The Village Public Works Department provides an array of public services that are vital to the efficient daily operation of the Village, from maintaining storm drainage systems, to maintaining streets, roads and rights of way, maintaining the beaches and accesses, maintaining town parks, properties and buildings, maintaining regulatory and non-regulatory signage, and assisting other departments as needed.

The concerted goal of the department is to always provide excellent Public Works services—internally and externally—in a courteous, professional, safe and timely manner to maintain the structural integrity and safety.

Grass Clippings

As you mow your yard, make certain that you do not blow grass clippings onto the street or sidewalks. Make the first few passes to aim the grass clippings back onto the lawn.

If grass clippings blow onto the street or sidewalk, push them back onto the lawn with a broom or leaf blower.

Do not use a hose to wash them into the street or storm drains. Keeping your leaves and lawn clippings out of the streets and gutters will have significant benefits for your local lake or stream. You can reduce the amount of phosphorus entering a lake or stream.

Beach Safety

Your Guide to Beach Safety - Assuring Clean - Safe Water

Island Lake is very fortunate to have many fine beaches and parks.

The beaches are opened every year, the weekend of Memorial Day and are closed for the season after the Labor Day weekend. During the times in which the beaches are open, the Public Works Department maintains the cleanliness and assures the proper operation of all playground equipment. The Public Works Department also has the responsibility to open and close the beaches for the season. The health and safety of residents and visitors are of the highest importance to the municipality in the Village of Island lake area.

To ensure that area beach water is clean and safe, a beach water monitoring program is underway in cooperation with the Department of Health.

During the summer months, the water is regularly tested. If unacceptable levels of bacteria are detected, the area affected is posted with an advisory.

The possibility of pollutants in water is greatest after a heavy rain, when runoff from lawns and streets can pick up fertilizer, pesticides, and trash. Swimming immediately after a rainstorm and playing in shallow tidal pools or in the water discharging from storm drainage pipes should be avoided.

Swimming in contaminated water may result in minor illnesses such as sore throats or diarrhea. Natural organisms can affect anyone with certain existing health problems.

Lake & McHenry County websites can be used to view Island Lake Beach advisories.

The Health Department will conduct the test.

Thank You Residents! We want to send out a genuine "Thank You" to all of our residents for your patience and understanding. Our community would not be what it is without having such wonderful residents to share it with! We have been working hard to make some improvements that we know were important to you.

We continue to make repairs to the existing throughout the community. We have been following up maintenance work orders to ensure that work has been done to your satisfaction. This is our way of showing you that we are listening and that we care about YOU! We don't often get

the time to express our gratitude as often as we would like, but please know that we all work very hard to make Island Lake a great place to call "home" because we want the community to be as great as the service members and their families who live here!

Always at your service! – Public Works

Any questions, comments, please feel free to contact us at 847-526-8767. Public Work Staff will be more than happy to address your concerns. (Se habla Español.)

Thanks to Townships for Cooperation

by Brian Bartnick

Does service to township residents stop at township borders? Certainly not!

It is a common misconception that township officials focus only on their borders. Cooperation between the Village of Island Lake and surrounding townships busts that myth. When we look for help from surrounding townships, they are "all in".

On behalf of the Village of Island Lake, I would like to thank the following folks for great examples of working together: Robert J. Miller, Algonquin Township Highway Commissioner; Mike Lesperance ("Iron Mike"), Nunda Township Highway Commissioner; Joe Munson, Wauconda Township Highway Commissioner; and Glenn Swanson, Wauconda Township Supervisor.

Equipment sharing, joint purchasing, and road maintenance are huge cost-saving collaborations.

Township officials and staff find creative ways to deliver needed services on increasingly tight budgets, taking the initiative to team with their neighbors to improve services and reduce costs.

Wauconda Township is always there to provide help and support. Algonquin Township and Nunda Township will help us with our project to grind and pave Hillside Drive and part of Burnett Rd.

The Village of Island Lake would like to remind residents to not mow or blow their grass clippings onto the roadways and walkways. These clippings, if not cleaned up, will result in eventual blockages of storm drainage systems. These blockages will cause storm water flooding of basements—possibly even your own.

Building & Code Compliance – Wayne Schnell

Happy Summer! Please check our website for projects that require a permit and information regarding the permit process.

We use the International Property Maintenance Code and it's easy to determine properties in violation. The view from the street tells a lot. Lawns should be kept less than 8" and shrubbery trimmed. Driveways and front lawns should not be used for storage. Items of concern are trash containers, ladders, snow plows or inoperable vehicles. If a dumpster is placed on your property for any reason you will need to obtain a permit, if the dumpster is used in a permitted project the cost is included.

Owners of residential rental properties need to be register with the village. The fee is \$50 per dwelling and expires every two years. An initial inspection is not required and new tenancy inspections are included in the fee.

Enjoy the season and keep safety in mind.
Building Commissioner

SPECIAL EVENTS - Trustee Beeson

FREE Concerts in the Park Series Moves to Veterans Park

The perennially popular, live, Concerts in the Park series returns with a change of venue. All three FREE concerts will be at Veterans Park for the summer of 2016. Crowd favorites, Brass from the Past and Pirates Over 40, will be back. We are seeking a third band and welcome your recommendations.

Schedule

Friday, June 10th, 7:00pm: Brass from the Past, featuring the sounds of Motown, R&B and Chicago-style jazz

Friday, July 8th, 7:00pm: Pirates Over 40, featuring Jimmy Buffet style (Hawaiian shirts not required, but highly recommended)

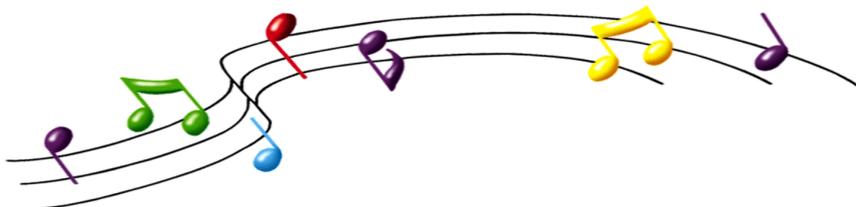

Friday, August 12th, 7:00pm: To be determined

Parking: Water Tower Park; police personnel will be available to escort you safely across 176 to Veterans Park

All bands are family friendly and children are welcome to come, but they are also for adults to enjoy, so they are BYOB. Feel free to pack your favorite libations (wine and beer are allowed) and food, snacks, chairs and a blanket. Get out and enjoy the fresh air with your friends and neighbors dancing the night away. All residents and out-of-towners are welcome.

Thanks to all our generous sponsors and fundraisers,. Because of them we are able to bring these shows to you, so don't miss out on big lights and sound in your own small town.

For questions on donating to this special event or to suggest a band, call Mark Beeson, 847-650-8410. Bands must have their own sound and light equipment.

Lakefest, Fireworks and Carnival-Mark Beeson

July 22, 23, & 24 in Water Tower Park

Lakefest 2016 at Water Tower Park promises to be the best one yet. Come and bring your friends and out of town guests for a fun filled weekend of amusement rides, live music, great food, hotrods, games, prizes and adult libations—topped off with a Grand Fireworks Show over the lake. Weekend events include:

Friday, July 22

- Skinner Amusements Carnival
- Live music with **Pirates Over 40**, a Jimmy Buffet style band
- Beer tent and loads of great food

Saturday, July 23

- Skinner Amusements Carnival
- Live music with **Reely Dan**, a Steely Dan tribute band and **Goin South** a southern rock band
- Beer tent and *more loads of great food*
- Hotrods show
- Awesome fireworks show over beautiful Island Lake*

*See lake map marked with public viewing areas. Park at the Village Hall and walk down Ivy Road to Eastway Park for excellent viewing. Also, ask your neighbors about other great areas for viewing beyond the marked areas. The fireworks have been launched from the same GPS locations for many years.

Sunday, July 24

- Skinner Amusements Carnival
- Beer tent and *even more great food*

100% of the proceeds from these and other fundraising events help to pay for the Fireworks. If you wish to donate to the special events fund, or volunteer for Lakefest, please contact Mark Beeson at 847-650-8410. Through the generous efforts of our many volunteers, we raise the funds for additional events like free Concerts in the Park, the 4th of July Free Family Picnic and more.

Thank you to all those that make these wonderful family events happen.

4th of July Family Fun Parade and Picnic

By Tina Loos and Trustee Mark Beeson

To kick it all off there is a **parade that will start at 10am** on the **east end of Burnett Road at Kemper Valve**. It will then turn onto Eastway and snakes through town around the lake where it then ends at Veterans Park for the free family picnic. The route will be clearly marked.

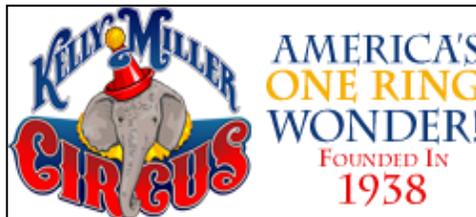

Please **contact the Island Lake Chamber of Commerce** if you would like to be **involved with the parade**. Call 224-656--2822 call Connie. This is a great time for you or your business to get involved.

After the fun parade, the picnic will follow from 11-2. Parking is across the street at Water Tower Park and the Island Lake Police will be there to help you and your family cross 176.

We have pony rides (for a small fee), boy scouts climbing wall, Popcorn Andy, crafts, games, sand dig with up to 600 toys and candy buried in the sand, water balloon toss, hotdogs, soda, chips, DJ Wayne and more.

Did we mention that this a free event (except for the pony rides)? So come on out and enjoy a day of fun in the sun with your family and all the volunteers that help to put together this fun filled day.

To volunteer for this or any other event please e-mail Tina @ tina.loos@voisk.com or 847-526-4851 ext. 7687

Island Lake Recreation - Lori Tanzillo

HAPPY SUMMER!!!

First and foremost I would like to give a big "Thank You" to everyone involved in our "Before and After School Program." We had a great year with almost 90 students enrolled. Thank you to the children, parents, and the amazing counselors. It would not have been as successful without you all. Thank you also to Cotton Creek School, District #118, and staff for allowing the use of the school and for being so accommodating.

Summer Camp: We will be accepting "Summer Camp" registrations throughout the summer as space allows. Most of our Club Counselors are returning for camp. We have our wonderful bus driver, Christy Wood returning for another summer. We will be using our new bus this summer for camp, which we are very excited about!! Thank you Brian Bartnick, Public Works Director, for traveling so far to get the bus for us.

Fitness Programs: We will be continuing Zumba, Yoga, Taekwondo. **T-Ball, Baseball, and Girls Softball** will be in full swing during the month of June.

Guitar lessons with Michael Ripoli will continue throughout the summer. Michael is very accommodating to all individuals' schedules and needs. **Clarinet lessons** will also be offered. Please call for more information on both.

We have included information for the **2016 Craft Faire**. It is never too early to reserve your favorite spot, as we have several crafters already registered.

I wish you all a Happy and Safe Summer. Please do not hesitate to contact the Recreation Department for any questions, concerns, or any new ideas to help our community. lori.tanzillo@voislk.com 847.526.4851

Island Lake Recreation - Tae Kwon Do

Awesome experience! It is more than a sport. It teaches you to stand tall and strong and is a way to learn martial art, that is not limited to ages or physical abilities. Welcome to our team.

* Students have the opportunity to improve their concentration and self esteem, achieve lifelong physical fitness, and self defense skills.

* Master the breaking, kicking, punches and sparring. Right here is the best place.

* Build a strong mind with the meditation as part of our practice.

* Music for poomsae (form) practices. Find your rhythm.

* Like the challenges?

* There are safely coordinated competitions in the classes, and tournaments.

History:

The Taekwondo is one of the newest Olympic Sports and about 2000-year old martial art, originated from India and developed in Korea. Who we are: This program is offered by K. H. Kim TKD under the direction of Grand Master K. H. Kim (9th Dan Kukkiwon World TKD Headquarters). Classes are taught by Master Matt Farkas (4th Dan, Gold medallist in state and international competitions). Any questions? Call 630-456-3552 . Visit us in Facebook: "Matt Shifu"

Lake Management - Lake Mgt. Committee (LMC)

Our focus on improvements for the lake this year includes the installation of stone shoreline protection around our little island and Highland Dr. property on little island bay. As many of you may have seen, the little island has eroded terribly over the years. By protecting the shoreline around the little island, we will secure our “name sake” for generations to come.

The Duckweed... Ahhhh, the duckweed... AGAIN, this year our Public Works Dept, LMC, and awesome volunteers will be back at it! This will take years to get under control, but we will keep on it! If you see them but there, please tell them Thank You! These folks are working hard and the kudos go a long way!

The LMC has also been working with our Building Department to help the aesthetics of our lake. Currently there are docks, piers and seawalls that may need some attention. More than aesthetics, our main concern is safety. If your dock, pier or seawall looks unsafe, it probably is. We are asking all lakeside homeowners to do a quick inspection of your dock, pier and seawall. If you have the means to make improvements (which may include just removing unsafe or unsightly materials), please do so. If you are considering a new dock, pier or seawall, we want to help! For the 2016 year, (starting in May) the Village will waive all permit fees for any improvements to repair, replace or add a new dock, pier or seawall. All the necessary paperwork and applications will still need to be submitted to our Building Department for approval.

Our patrol boat will be on the water soon! 2016 starts a new era of safety and patrol for our lake. You will see our patrol boat on the water several times a week with police officers and volunteers. This will ensure the public’s safety, protecting creel limits, assistance, enforcement and simply a secure presence. With this we would like to ask all of our lakeside homeowners to add your address (numbers only) in a visible location that can be seen from the water. We suggest the furthest point on your dock or pier. If you do not have a dock or pier, the highest point of your seawall is what we recommend. A minimum of 3 inches tall is what we request and having the numbers contrast as much as possible with your dock, pier or seawall material. Just remember not to block your address with your boat! This will help officers identify your home in case of an emergency, assistance or if you just want to say hello!

Our final request is for pontoon boat owners... The Lake Management committee and Island Lake Historical Society offer boat tours throughout the summer. We would like to ask pontoon boat owners to donate 1 ride/summer for our lake tours. On the tour, the Historical Society provides a speaker to tell about the history of our lake and our village. All life jackets are provided if you do not have them. All the tours start and finish at Eastway Park and last approximately one hour. Be rewarded by the gift of sharing; meet your neighbors and fellow lake lovers. Please call Liz Nelson @ (847) 609-9050 or email her at lizznelson@me.com

Emergency Management – Calvin Clay, Coordinator

A Message from Calvin Clay, Emergency Management Coordinator

Hello Residents & Friends,

Summer has arrived with lots of sun and warm weather. Let's keep in mind the potential of severe weather threats, with that said: Remember to have your safety preparedness plan on-hand in case we encounter a fast approaching storm. **A safe shelter is most important**, take immediate action when severe weather is reported. Listen for the sirens, this means immediate danger is approaching fast.

With summer in full swing, let's enjoy the hot weather and remember to **apply sun block** especially during the hot sunny days. **Keep a close eye for small children and pedestrians** now that school is out for the summer. Our residents will be out walking, riding bikes and playing sports (**please be aware**).

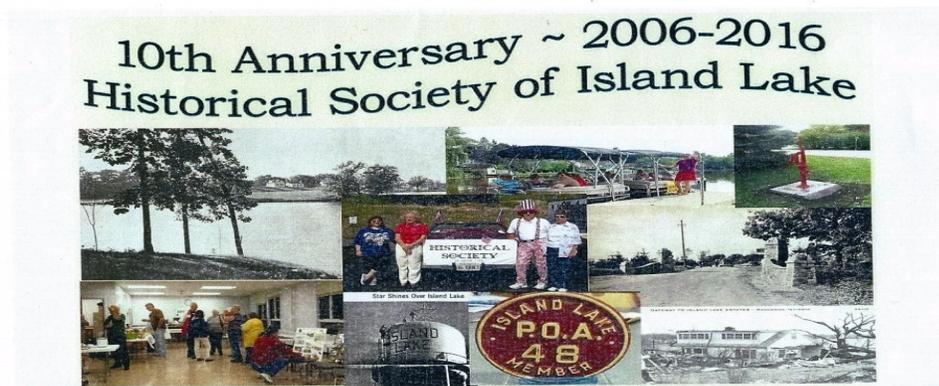

On behalf of the Village of Island Lake Emergency Management Agency, I want to thank our volunteers for their dedication and support. As a reminder: our Emergency Management Meetings are held the fourth Wednesday of the month at the Village Hall at 7:00pm. Volunteers are welcome; we ask that you commit and remain active as a member by taking part in the training exercises and team meetings to support our village functions.

The EMA Team supports our Police Department, Fire Department and Public Works with specific training. Our Mission is Safety while providing the proper training to insure safety for all the residence and friends.

I would like to thank you for taking the time to read our Village Newsletter.

Have a Safe Summer!!

- * Keep your Smoke Detectors & Carbon Monoxide Detectors with good fresh batteries.
- * Remember to Drive Safely.

Featured at the Cook House 711 N. Main St., Wauconda, in celebration of their 10th Anniversary: The Historical Society of Island Lake will be featured from 1:00 – 3:30 pm on Sunday, August 14, 2016 at the Wauconda Township Historical Society's Cook House. The Public is welcome to tour the Cook House and see the Historical Society of Island

Lake collection.

Island Lake Historic Boat Tours: The celebration continues with more of the very popular historic boat tours on Island Lake. A Historical Society member will narrate the tours focusing on all the history that surrounds the lake. Liz Nelson is the society member and Lake Management member who will schedule tours. Call 847-609-9050 to get on board.

September 17 from 1:00 – 4:00 pm at the Village Hall, 3720 Greenleaf Ave., Island Lake: The Historical Society will host "Back to School, Remembering Island Lake Grade School". The former school building now serves as the Island Lake Village Hall but holds so many memories for the hundreds of people who spent their grade school years there. The public—especially those who attended the school—are invited to tour the building and add their memories and stories to the Historical Society's archives.

ISLAND LAKE WOMAN'S CLUB

Often when I discuss the Island Lake Woman's Club with ladies who are interested in joining, I hear "But what do you DO?" We are a long-standing, busy philanthropic group, so I guess you could say we are a bunch of "do-gooders." The Island Lake Woman's Club was formed in wartime in 1943, with a special interest in supporting our troops, and founding a local library. We joined with the nationwide General Federation of Woman's Clubs (GFWC) in the 1950s. GFWC certainly has an impressive list of good deeds to their credit:

- The GFWC was chartered by the Congress of the United States in 1901 and in 1906 spearheaded a campaign that led to the passage of the Pure Food and Drug Act.
- In 1921 the GFWC created an Indian Welfare Committee to improve both education and health facilities on reservations, as well as preserve Native American culture.
- In the 1930s the GFWC helped establish 474 free public libraries and 4,655 traveling libraries. In the 1990s, over a five-year period, the GFWC raised and donated \$13.5 million to public and school libraries across the nation. The GFWC was responsible for founding 75% of all U.S. public libraries.

- In 1942 the GFWC "Buy a Bomber" campaign raised enough money to purchase 431 planes.
- In 1945 the GFWC was chosen to participate in the conference to form the United Nations.
- In 1961 the GFWC led the crusade for the installation of seatbelts in motor vehicles.

So, THAT'S some of what we do. The members of our club carry on a noble tradition of volunteering to support the arts, charities, and local communities, including schools and libraries, the Wauconda/Island Lake Food Pantry, the Lake County Pet Food Pantry, the Salvation Army, Canine Companions, the Veterans Administration, the Heart Fund, Smile Train, Heifer International, and the American Indian Center in Chicago. We are especially proud of the work we do in planting and maintaining two of the garden entrance gates to the Village.

Interested in joining us? Please call Dona Willard at 847-526-3408, or send an email to donawillard@comcast.net. Meetings are on the second Thursday of the month. Luncheon is served at 12:00 P.M. followed by the day's program.

Island Lake Seniors Club News

The Island Lake Area Seniors Club is looking for adults 55 and older to join the Club. We meet the second Tuesday of every month. Meetings start at 12:30; doors open at 11:30. Coffee and tea is served. Potential members are welcome to come and check us out. Bring a friend. Dues are only \$18 per year, and help defray the cost of our St. Patrick Day luncheon in March, and our Christmas luncheon in December.

Below is a list of our activities for the rest of 2016.

June 14: Meeting cancelled

July 12 : Indoor picnic: Members \$5, non: members \$10

August 9: Election and Installation of new officers, Members birthdays celebrated, ice cream served

September 13: Club's 36th Anniversary, cake served
