

# VILLAGE OF ISLAND LAKE

Winter 2017 NEWSLETTER & RECREATION GUIDE December, January, February

## From the Mayor's Desk

I would like to keep our Village residents informed on matters that could affect your commute to and from work in the near future. The State of Illinois has slated two projects slated for construction in 2018.

The first project is at the Route 176 and Roberts Road intersection. The

State will construct a right turn lane to southbound Roberts Road. This should alleviate some of the eastbound backups that occur on a daily basis.

The second project involves resurfacing of Route 176 from Roberts Road in Island Lake, eastbound to Larkdale Row in Wauconda. It will go out for bid this fall for the work to be done in the 2018 construction season.

Both the Roberts Road turn lane and the Route 176 resurfacing projects are funded by the State of Illinois.

We will use our marquee and our website to provide construction updates so you can plan for traffic delays—including updates from the Illinois Department of Transportation (IDOT) as we receive them.

On Saturday, December 23, you will see familiar folks from the Village ringing the bell for this year's Salvation Army Red Kettle collection. Our residents have always stepped up to help families in need.

I would like to take this opportunity to thank the many volunteers and donors who help make our community a better place to live. Through generous contributions of time and money, we have events, beautiful gardens, a historical society and boat tours of our namesake lake..

On behalf of myself and the Village Board, I wish you a Merry Christmas and a Happy (and healthy) New Year.

# Chief of Police - Anthony Sciarrone

Happy Holidays from everyone at the Police Department. Here are some safety tips as you do your holiday shopping. Always...

- Park in well-lit areas. Note where you parked your vehicle—especially at a mall—so that you can walk directly to your vehicle.
- Keep your packages out of sight in your vehicle.
- Be aware of your surroundings and keep a watchful eye on your children.
- Do not leave your purse or wallet in a cart! Keep credit cards and wallets in a secure spot on your person to prevent from being a victim of thieves.
- Look around before you use your credit card to make a purchase so that no one can obtain your personal information.

**Keep the doors and windows of your home and vehicles locked.** Burglars and thieves like this time of year because it's a chance for some easy money.

**Slow down and don't tailgate** when you drive in inclement weather. It's better to get to your destination late than not at all. You don't want to spend your holidays in the hospital.

**If you are going on a holiday vacation**, call the department non-emergency number at 847-526-2100 to put your home on house watch. While you are away, officers will periodically check your house.

**Drive Sober or Get Pulled Over** The Police Department is participating in a DUI enforcement effort and is giving a fair warning to holiday revelers: **Keep the party off the road.** The *Drive Sober or Get Pulled Over* and *Click It or Ticket* enforcement efforts are made possible by federal traffic safety funds administered by the Illinois Department of Transportation.

**The ILPD is now an official OfferUp MeetUp Spot.** The MeetUp Spot is outside the Police Department entrance and is under video surveillance 24x7. OfferUp is a mobile marketplace for local buyers and sellers. The program goal is to eliminate the exchange of items at a residence. Having a designated public meeting place can help deter criminal intent and activity.

Merry Christmas and Happy New Year to everyone in our Village.

**COMMUNITY WATCH MEETING: Date/Time:** 1/8/2018, 7:00 p.m.  
**Location:** Village Hall, 3720 Greenleaf Ave., Island Lake, Senior Center

Please join the Island Lake Police Department at the Community Watch Meetings on the second Monday of every other month.

**For additional information, contact:**  
**Officer Knebl** at [lisa.knebl@islandlakepolice.com](mailto:lisa.knebl@islandlakepolice.com).

## Tree Lighting Ceremony and Angel Tree

**When:** Friday December 1, 2017 **Time:** 6-8pm  
**Where:** Village of Island Lake

Crafts! Hot chocolate! Hayrides! Stay warm outside by our bonfires and *maybe* have a visit with a Very Special Visitor?!

For more information about the tree lighting, call Tina at 847-416-7867.

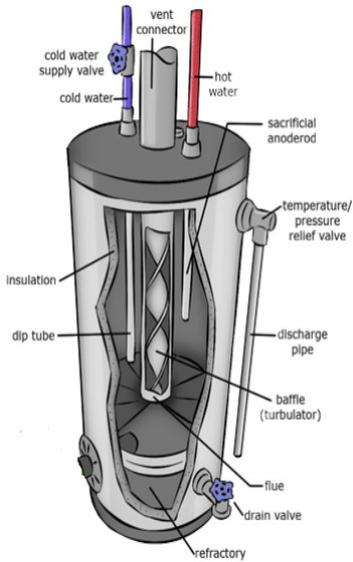

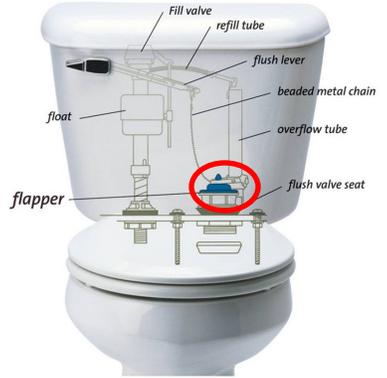

**Would you like to help Island Lake families in need** put something special under the tree for their children? **Angel tree tags** will be ready for the tree lighting. Can't pick up the tags that night? Pick up a tag from the Village Office.

For information about the Angel tree, call Georgine 847-416-7858.

# Water Department-Patrick Stewart, Water Superintendent

**2017 Water Main Project** Ethel Terrace and Oak Terrace were scheduled to begin construction this past summer to replace the water mains; however complications with the permitting process with the Illinois Environmental Protection Agency stalled the project. It is now scheduled to begin early spring of 2018. We apologize for the delay. We will keep the residents in the area informed via mail, hand-carried letters and, as always Newsletters, as decisions and timeframes are established.

**Water Bill Seem High?** In September of this year the service charge and water rates were increased to help ease some of the costs the Village has endured for repairs needed, and will endure for future projects such as a new well, water tower, and treatment plant—to name a few. Also, a large number of residents had running toilets in their home recently. It doesn't seem like a running toilet could use a whole lot of water; however we have seen *running toilets waste as much as 300,000 gallons in a 3 month period!* Please check your toilets, replace the flap drain (as circled on the right) in the back of the tank at least every 2 years to prevent a leak.

**Hot Water Issues** Do you ever experience discoloration, odor or low flow when taking a shower or using hot water at any of your faucets? Do you ever hear crackling in your hot water tank when it tries to heat? This is normally a sign that requires your water heater be flushed. Over time, your hot water tank collects and builds sediment from naturally occurring minerals that will usually rest at the bottom of the tank. Not only does this cause water quality issues, but it also forms an insulator at the bottom of the tank. This forces the heater to work harder and requires more time and energy to heat your water! Most manufacturers recommend flushing your tank annually. Flush your tank today!

**Winter is Coming!** Cold is approaching quickly. Residents living in the original part of town—especially those with crawl space access on the outside of their home—this is your chance to seal, insulate, heat and cover everything possible to prevent water lines from freezing. The smallest drafts can freeze plumbing inside your home, typically overnight when water is not in use.

As always, we encourage any questions or concerns regarding the water system and water quality that we provide. **Please feel free to call us at 847-526-1954.**

## DOs and DON'Ts of Snow Removal

- Do not shovel, blow or plow snow onto the roadway. Village ordinance prohibits placing snow onto the cleared roadway.
- Park your vehicle off of the street when it starts to snow. This allows crews to clear the entire roadway and prevents the car from being plowed in, ticketed or towed.
- Try to clear snow around fire hydrants. This simple step could save precious time in emergencies.
- Remove portable basketball hoops, benches and decor from the street right-of-way. The Village is not responsible for damage to these items resulting from snow removal operations.
- Check that your mailbox and post are in good repair and that they are behind the curb, not leaning out over the street.

# PUBLIC WORKS

publicworks@villageofislandlake.com

Hours of Operation -

Monday - Friday 7:00 a.m. - 3:30 p.m. Phone. 847.526.8767

The Public Works Department has completed many projects and has many others in progress. You may have noticed, we have repaired many streets and have repaired or installed storm sewers.

**HMA Resurfacing** As part of 2017 street improvements, Peter Baker and Son of Lakemoor and has recently completed the resurfacing of Highwood Lakes Estates on S. Highwood Dr., Tulip Circle and Jordan Lane.

**2017 MFT Road Maintenance Program** Island Lake 2017 MFT Maintenance Program has accepted a bid from Geske and Sons to improve 9000 Feet of Street (1.5" and 2" HMA Removal, 1.5" and 2"

HMA Surface) in various streets throughout the Village.

**Public Works broke ground** on a new public works building last month that will house the Village's public works equipment and vehicles.

**Snowfall Protocol** As we switch gears to winter operations, I remind you of how Public Works operates when the weather takes a turn for the worse in the winter. The weather in our region can change in an instant; therefore Public Works also has to make the appropriate changes to deal with a particular snow event. Our number ONE goal is to keep the roadways safe for your travel, at all times. While we are striving to clear the roadway of snow and ice, there are several things that you, the homeowner, can do to help make our task easier and more efficient.

Arterial streets are priority, for example: Eastway, Burnett, Waterford Way, Hale Ln., Newport Dr., Carriage Hill and Westridge Dr.

Public Works will repair only mailboxes *HIT by the snowplow*. The post and the box should be strong enough to withstand the weight of snow from the plow.

The piling of snow on the roadway is Village ordinance violation.

Parking on the roadway during snow removal is prohibited.

The plows are out there to make your travel safe; please show them courtesy.

### Year 2018 Community Development Block Grant Funding

The Community Development and Housing Grant Commission made a formal recommendation to the McHenry County Board for approval of 2018 funding in the amount of \$184,800.00 for the Village to resurface Fern, Hyacinth and Circle Dr. N.

In our efforts to continue to provide you with the best service possible, we ask that you call us, or send email to let us know how we are doing or just to pass along an idea you may have that will benefit the community as a whole.

We can be reached at:

**Public Works phone: 847-526-8767; fax: 847-526-5961; email: [publicworks@villageofislandlake.com](mailto:publicworks@villageofislandlake.com)**

# Building Department – Wayne Schnell, Commissioner

When the mercury drops below freezing, it's a sure sign that winter is here.

## Safety Tips for the season:

- Use extension cords and/or power strips sparingly and *never* for a heating device. They should be safe and properly rated for their load.
- Check all smoke and carbon monoxide detectors for proper operation.
- Seal air leaks around doors and windows. Clean your furnace and dryer vents.
- Disconnect all hoses from outside spigots and store them away. Even though a spigot may be freeze proof, it can still freeze and burst if a hose is connected to it.
- Clear snow and ice from ALL vehicle windows before driving. NO texting while driving.
- Keep outside steps and walkways clear, falls are a major cause of not staying healthy.
- Do not deposit snow on roadways.
- Do not leave pets outside too long.

## A few reminders...

**Rental Registration is required** for all residential rental property within the Village. Registration forms are available at the Village office or online here: <http://villageofislandlake.com/forms/>

**Permits are required:** A permit at a minimal fee of \$55 is required for replacement of a furnace, central air conditioner or water heater. The fee includes a final inspection of the installed unit. A permit is also required for a “roll off” dumpster on residential property at a fee of \$50—but *not required for temporary “pod” type storage units.*

**Unsure about permit requirements?** Call us at 847-526-8764 or check our website (<http://villageofislandlake.com/administration/building-zoning-and-economic-development/>).

# Lake Management Committee – Ken Wick

Winter is a great season to adventure outdoors in our largest park: the lake. Here are a few tips to help you enjoy our lake safely and courteously.

**Use caution on the ice. Keep away from open water and slushy areas.** The lake does not freeze instantly when temperatures drop. Remember: *dark ice is often NOT safe!*

**Shovel an ice-skating rink or small area on the lake.** The Lake Management Committee encourages you to make clear spaces for the sunlight to penetrate and create healthy oxygen levels in the water. This is especially important during the winter months; even a small cleared area helps. The smaller bays are most affected in the winter.

**Avoid skating rinks and shoveled areas when you drill ice-fishing holes or operate snow-mobiles.** These areas are maintained for the enjoyment of ice-skating and hockey.

**Follow the Size, Slot and Creel Daily Regulations** (see 4-9-1 from the *Village Code*, below) to provide a sustaining fishery for future generations. Regulations are also available at the Village Hall.

## **4-9-1 Size, Slot and Daily Creel Regulations**

Permitted harvesting of fish from the waters of Island Lake located within the Village of Island Lake shall be limited in accordance with the following written regulations which shall be made available at Village Hall and posted at the Eastway Park Boat Launch.

## **ISLAND LAKE SLOT AND DAILY CREEL REGULATIONS**

### **PER ORDINANCE # 1501-15**

\$100 for the 1<sup>st</sup> Offense- \$250 for the 2<sup>nd</sup> Offense and \$750 for the 3<sup>rd</sup> Offense and each offense thereafter.**

**Provided by the Island Lake, Lake Management Committee**

**Focusing on the health, viability and enhancement of Island Lake for future generations.**

# Emergency Management - Calvin Clay, Coordinator

Hello Residents and Friends,

The temperature has dropped, the days are shorter and the sun sets shortly after lunch. "My friends" winter is just around the corner...let's start thinking about a winter safety.

**Remember.... Please Check your Smoke and Carbon Monoxide Detectors**, install new batteries and replace a faulty unit.

**For snow shoveling:** Make sure you have a sturdy shovel with a long handle to minimize the stress on your shoulders and lower back. Snow-Blowers work best, doing the heavy work with efficiency and speed. Read all safety instructions and manuals before you operate the equipment.

**Remember to clear the side walk for our kids and residents walking to and from the bus stop** on the street. **Please be cautious.**

The Island Lake EMA Team supports our Police Department, Fire District, Public Works and Parks and Recreation Department with traffic support and community service that helps our community stay safe. I would like to thank my team for their dedication and support. **Community Safety** is our commitment to all the residents.

**Plan appropriate and take proper steps for winter-safety.** Prepare a winter safety kit for your home and your vehicle in case of a snow storm with large accumulation or a power-outage/ice storm.

**The Home Winter Emergency Preparedness Kit should contain the following:**

bottled water, first-aid kit, non-perishable foods, a good flashlight, blankets\comforters, spare batteries, matches/lighter and a toolkit with can-opener.

**The Winter Emergency Car-Kit** should contain: jumper cables, shovel, gloves, blanket, LED-type flare/standard flare/flash light.

**The Emergency Management Meetings are held the 4th Wednesday of the month at the Village Hall at 7:00pm. Volunteers are welcome.**

Our mission is community safety within the guidelines while obtaining the proper training to support our village in the event of a disaster/emergency call-out.

Calvin Clay, Island Lake Emergency Management Coordinator, 847-526-8764, ext. 7884

## Irises of Island Lake 2017 Planting

Thank you to all who made our 2nd Annual Iris Planting on October 21 a success. Over **500 irises** were donated for planting at the Village Hall and at business locations along Route 176.

**For more information**, contact Georgine Cooper at the Village Hall by phone or email: 847-526-8764, ext. 7858 to make arrangements; [georgine.cooper@voislk.com](mailto:georgine.cooper@voislk.com) for details.

**Thank you 154 times!** So far, that's how many vases we have collected for the "Random Acts of Flowers" vase recycle program.

Wrap your vase donations of **medium size glass, plastic or ceramic vases** (up to 13") in newspaper or bubble wrap and **drop them off at the Village Hall**, 3720 Greenleaf Ave., or at **PrairieLand Disposal**, 21988 N. Pepper Rd., Lake Barrington, IL.

## Wauconda Fire District by Mike DeValle

The Holiday season is upon us and we have much to be thankful for.

**A friendly reminder to change your smoke and CO detector batteries** when you change your clocks for daylight savings. If your alarm is going off without reason, simply read the back for instruction. Typically, smoke and CO detectors need to be replaced after 5-7 years. Your local hardware store should have an ample supply on hand.

**If you are decorating for the holidays, please do so safely.** Real trees need A LOT of water. *NEVER* have an open flame near, on or around a real tree. Do not overload electrical extension cords or run them under carpet. Make sure your lighting has a label from an independent testing laboratory. Remember to turn off all of your decorations before you leave your home or go to sleep at night.

**Holidays bring colder weather and the use of wood stoves and fire places.** These are wonderful to use this time of year, IF you have had them cleaned. Chimney fires are extremely common at the start of this time of year. Have your chimney cleaned by a professional; it will not only give you piece of mind, but could potentially save your family and home. Last—but certainly not least—make an escape plan with your entire family and practice it.

**Happy Holidays from the Wauconda Fire District.**

## Dinner Dance and Live Auction

**Mark your calendars for the 2018 Annual Dinner Dance and Live Auction on April 21, 2018.** All proceeds from this event goes to help fund all of our FREE events.

Thank you to those who came out last year and welcome to all of those who are new to the event. A sign up form will be available on our website and in our *Spring 2018 Newsletter*.

**For more information,** please contact Tina at 847-416-7867.

### Venetian Night 2017

**Congratulations to the winners of the 2017 trophies** for best conveying the *Viva Las Vegas!* theme. Mayor Amrich presented trophies to Joe and Jennifer Villarreal, Kristie Shram, and Mike Guard. The weather cooperated and it was great to see so many friends and neighbors for the floating picnic in Eastway Park.

Venetian Night 2018 will be September 8 and the theme will be the Roaring 20's. **For more information call Connie at 224-656-2822.**

# ISLAND LAKE RECREATION/CLUB/SUMMER CAMP – LORI TANZILLO

www.villageofislandlake.com 847.416.7866 Fax 847.526.5961

## Greetings, My Friends!

We are now in full action with Club. With the beautiful autumn weather we had, the children got to spend many days outside after school. We all know that the fresh air and sunshine can do a world of wonders. On their school days off, the children have been to Stade's Farm to pick their own pumpkins and have fun on the Stade's attractions. They spent another day getting much exercise at Mega Trampoline, which is one of their favorite field trips. They have also gone to Tilt/Rink Side Sports in Gurnee, to play some laser tag and mini golf. At the end of November they will be going to the Marriot Lincolnshire to see the play *Sleeping Beauty*.

I am very excited about a couple new classes we will introduce to our Recreation program in January. They are "Nerf Elite Battle" and "Mini Ninja Warriors". They are brought to us by "Hot Shots Sports". I'm sure it will be a lot of fun, as well as helping children get some much needed exercise. I am a strong believer that unless children are in a sports program of some kind, they are spending too much time on their electronics or watching television. Some good old fashioned "Nerf" should be a blast.

---

**Before and After School Club at Cotton Creek School:** We take registrations throughout the School year. Club continues to be a success with the help of our counselors bringing new ideas to the program. They have all had some refresher training on Early Childhood Day Care which has brought many new ideas to the general parts of the program, as well as more concepts to handle the more difficult situations. We are implementing a new system to reward our students for being great students/people on their random acts of doing kind or helpful acts. We have an amazing group of children this year as well. Thank you parents for raising such great children.

---

**Sports and Fitness:** Besides our new Nerf program being put into place, we continue to have our "WONDERFUL" Zumba instructor Lorraine Haye. She is always coming up with new ideas to keep her classes fresh and packed full of fun Zumba partying. Try a class, the first is FREE!!

---

**Guitar:** Ongoing classes for Michael are Mondays and Fridays. Please call Michael Ripoli for dates and times @ 815.528.3830. He has doubled his student base in one week but always has room for more. He is a great instructor. You will not be disappointed.

---

**Annual Indoor Garage Sale** – This year's annual Garage Sale will be Saturday, January 20<sup>th</sup>. Please read the advertisement regarding it in this Newsletter for more information.

---

I have been with the Village of Island Lake for 19 years; 15 of those years I was teaching with Creative Playtime and now 4 years in the Recreation Department. I continue to love my job because of my awesome co-workers, and the wonderful citizens of this great community. Thank you all! I wish you all a Happy, Healthy and Fulfilled Holiday Season filled with Love!

# Historical Society of Island Lake

The great turnout for our “Good Old Days in Island Lake” program included many local residents and folks from out of state. A family from Greenfield, Wisconsin shared their memories of the Garlands, owners of the grocery store where the Martin Insurance now stands. Other family members of past residents came from Genoa, Wisconsin to share scrapbook memories of their Island Lake family. Longtime residents Jenny Monday, Cressly Anderson, Dona Willard and Sam Cicero also shared their memories of growing up in Island Lake. Barb Dale told of

her years with the Island Lake 4-H Club, which many didn't know had ever existed in Island Lake.

**2018 Historical Calendars are now available.** Local individuals and businesses sponsored the pages showcasing our lake. Purchase your calendar for \$8.00 at the Village Hall or by contacting Connie at 224-656-2822. All the profits help the Historical Society preserve the past for the future generations.

**Our very popular Historic Island Lake Boat Tours** have come to an end for 2017. Thanks to Liz Nelson for organizing the tours and to the volunteer pontoon owners for taking the time to provide so many with a unique look at the history of Island Lake.

Or more information on the Historical Society contact, Connie at 224-656-2822.

## Frequently Asked Questions about:

### Garbage Pickup

**Q: When is the next curbside electronics\* recycling pick up?**

A: Monday, April 2, 2018. \*Please note: Only 1 television per year is allowed.

**Q: What do I do if I have a large item for pickup?**

A: *One bulk item*—for example: couch, (if a sectional, 1 piece per week), table, or mattress or box spring (not both)—can be put out per week. As a courtesy, please contact Prairieland first! (phone # below) Note: Please consider donating items in good condition to your favorite charity.

**Q: Will appliances—for example: refrigerator, stove, washer/dryer—be picked up?**

A: For an extra fee and by pre-arrangement, Prairieland can pick up appliances. They will accept them at no charge if you take them to 21N988 Pepper Road in Barrington during regular business hours.

**Q: What should I do if my garbage wasn't picked up?**

A: Call Prairieland within 24 hours: 847-381-9300.

### Billing

**Q: How can I find out my garbage or water bill balance if I misplaced or didn't receive my bill?**

A: Call the Village Hall at 847-526-8764. Bills come out quarterly. If you haven't received one in a while, it's a good idea to call.

### Permits

**Q: What do I need to provide to get a building permit?**

A: Complete an application (available at the Village Office or online here: <http://villageofislandlake.com/forms/>). In some cases, you may also need a plat of survey and a letter from your Homeowners Association (HOA).

### Selling Your Home

**Q. I am selling my home what do I need to do with the Village?**

A: Please see the Village website under 'recent news' for requirements At: [www.villageofislandlake.com](http://www.villageofislandlake.com)

## ISLAND LAKE SENIORS - Cathy Christenson

If you are at least 55 years old, you are invited to check out the Island Lake Seniors Club, where members are always friendly.

**Meeting time:** Second Tuesday of each month, 12:00pm; doors open at 11:30pm.

**Location:** Senior Center at the Island Lake Village Hall, 3720 Greenleaf Ave.

Coffee, tea, and refreshments are served. A small door prize or cash is awarded to one person at each meeting via a drawing. We also have raffles periodically.

We are always looking for new members and fresh ideas. You don't have to be a resident of Island Lake to join. **Potential members are invited to come to one meeting free of charge** and enjoy whatever activities we are doing.

**Dues:** only \$18 per year, (or \$9 for half a year, starting in July), which includes a reduced cost for the St. Patrick's Day luncheon and Christmas luncheon. The Club pays \$10 per member for each of the luncheons. Hope to see you there!

The 2018 schedule will be out in early 2018.

Activities for the remainder of 2017:

**December 12** Christmas luncheon, Place and cost \$15 for members, \$25 for non-members.

**Any questions?** Please call President Catherine Christensen on her cell at 262-237-2961.

## ISLAND LAKE WOMAN'S CLUB

### Island Lake Woman's Club Begins 75<sup>th</sup> Year of Making a Difference

The Island Lake Woman's Club, now commencing its 75<sup>th</sup> year of serving our community, continues to "make a difference" every day, planting and maintaining two of the entrance gardens to the Village of Island Lake, supporting local schools and libraries, the Wauconda/Island Lake Food Pantry and the Salvation Army. Since the founding of our club in wartime in 1943, our members have particularly supported our veterans and active military, including the USO, the Veterans Home for Children, Canine Companions, and Soldier's Best Friend.

Affiliated with the General Federation of Women's Clubs, our donations help to support the Heart Fund, Smile Train, Heifer International, and the Salvation Army.

As you can see, we also make frequent, generous donations to the House of Hope Pet Food Pantry, where the needy can obtain pet food and supplies at no cost, and keep pets with their families and out of shelters.

**If you want to help us "Make a Difference"** or want to learn more about the club, please call Dona Willard at 847-526-3408 or e-mail [donawillard@comcast.net](mailto:donawillard@comcast.net). Meetings are on the second Thursday of the month in the Island Lake Village Hall. Luncheon is served at 12:00 P.M. followed by the day's program.

*Members Kay Kolacki, Ann Murray, and Dona Willard make a delivery to the House of Hope Pet Food Pantry*

## Island Lake Lions –Geoff Zivic

With the Holiday season fast approaching, the Lions Club goes into a sort of semi-public-hibernation. While we do slow down a bit on our meeting frequency, we are still supplying exams and glasses for residents in need. The Food Pantry still needs our donations to make the Holidays a little brighter for those less fortunate, and plans are still being made for our future endeavors. So even when you do not see us, we are always here to “Serve” Island Lake.

That being said, **thank you for supporting your Lions Club.** Without your generosity, we could not do the things that keep us going. Every cent of monies raised by the Club help us to carry out our objectives. Not one person in the Lions Club gets paid for what they do. We are a 100% volunteer organization, and are always looking to increase our membership. Many hands make light the work!

**For information** about club meetings, events, or membership, **call the Island Lake Lions Voicemail “HOTLINE” at (847) 604-1709**, ask any member or visit our website, [www.e-clubhouse.org/sites/island\\_lake](http://www.e-clubhouse.org/sites/island_lake)

**Coming on Saturday, February 3, 2018: the annual Ice Fishing Derby.**

## Island Lake Lioness –Nicole Springer

**For 31 years, the Island Lake Area Lioness Club has been serving Island Lake.** The club has a rich history in the community and several of our members are second generation Lionesses; at one time we even had three generations of women serving at the same time!

We play an active role in providing services and support to our local community. Some of these include:

- Awarding college scholarships for local high school students
- Supporting local food pantries via food drives
- Providing financial support to Guide Dogs of America
- Promoting diabetes awareness and education (one of the major causes of blindness)

Thank you for your support of the Island Lake Area Lioness Club over the years.

## Victory Garden News

Would someone tell me why 45° degrees in fall feels so cold, but 45° in spring feels so good? Victory Garden's final clean up took place on November 4<sup>th</sup>, despite the chilly and, at times, wet weather. We gardeners are a hardy bunch of folks. Special thanks to those who helped with those chores. Thank you all, for enjoying the gardens with your families, for planting flowers, for sharing the bounty with any local Food Pantries.

Some gardeners are going to condition their soil this fall. Others will be planting bulbs. Some will sow spinach for spring. So if you see us working up there, you know we are still "hard at it" in preparation for spring 2018!

**If you wish to reserve a plot for 2018** or reserve the plots you used this year, call Connie (847-526-8764 ext. 7857) at the Village Hall and let her know you wish to reserve plot(s) for 2018. She will have the list of plots already reserved. Payment may be made starting Feb. 1, 2018.

**Opening Day 2018 will be Saturday, April 28<sup>th</sup>.** Mark your calendars now. That is, indeed, a very important date! In the meantime, enjoy the holidays, treasure families and look for irises blooming throughout the Village next spring.

**In saying goodbye to the growing season, THANK YOU, ALL, for...**

- *Enjoying* the Victory Garden,
- *Taking* pride in your efforts and rewards,
- *Helping* out when you could,
- *Making* new gardening friends,
- *Inviting* guests to our unique and beautiful Gardens,
- *Planting* flowers,
- *Sharing* your extra bounty with a local Food Pantry,
- *Suggesting* ways in which we could improve,
- *Reserving* your plots for next year.

**Volunteers Appreciated and Needed**

**Interested in volunteering** but not sure how to start? Events planning and execution, gardening expertise, Memorial Day ceremonies, historical preservation and boat tours —to name a few—are supported by the time and talents of many volunteers.

Call the Village Clerk, 847-526-8764, ext. 7858 for information about volunteer opportunities.
