

VILLAGE OF ISLAND LAKE

FALL 2019 NEWSLETTER & RECREATION GUIDE September, October, November

I hope everyone enjoyed the events of the Village offered to our community. It was good to see you at the Concerts in the Park. I hope you enjoyed the carnival and fireworks in June. The carnival raised about \$8,000 that will help fund the fireworks and other events.

Welcome to Dan Powell, our newest trustee, who was appointed at the July 25 board meeting. We are back at full strength on the board. **Welcome also to Russell Kraly, our new Building Official**. I am grateful that our community steps up to serve.

Residents often ask me, "Why are our taxes so high?" Part of my response is that taxes are high all over Illinois - not just in Island Lake. Just a quick reminder about where your real estate taxes go, using the Lake County tax distribution example. The Village of Island Lake gets only 7.1% of your bill. The rest is divided between the other 9 taxing districts - with the school district getting the biggest share at 67.9%.

The Illinois Department of Transportation (IDOT) project at Rte. 176 and Roberts Rd. is for a right turn lane for eastbound traffic turning onto Roberts. Due to unforeseen soil conditions and the need to move ComEd utility poles, the project got a late start. The project, when completed, will improve traffic flow.

The annexation of the property at Rte. 176 and River Rd. was approved at the August 8 board meeting. This is the site of the proposed Circle K, a gas station facility similar to the Thornton's station at Rte. 176 and Darrell Rd. The board addressed many concerns before approving the agreement and zoning. IDOT and the McHenry County Division of Transportation (MCDOT) are addressing one of the biggest concerns: entrance from Rte. 176 and River Rd.

Do you have any questions? I'll be glad to discuss them with you. Call me at 847-526-8764, ext. 7885

Finally, keep our children safe. Watch out for them as they wait for the school buses and walk to and from bus stops.

DATES TO REMEMBER:

Sept	2	Village Hall Closed
	7	Venetian Night –Eastway Pk- Dusk
Oct	4-5	Oktoberfest –Water Tower Park
	7	Electronic Recycle Curbside Pickup
	31	Halloween Trick or Treat 4-8pm
Nov	4	Daylight Savings time
	16	Village Craft Faire 10-4pm
	17	Village Craft Faire 10-3pm
	23	Star Lighting Celebration
	25	Last Yard Waste Pickup
	28-30	Village Offices Closed
Dec	2	2020 Vehicle Stickers are available for purchase at the Village Hall.
	6	Tree Lighting and Angel Tree 6pm

Public Safety and Community Alerts Program Soon to be Available

The Village of Island Lake will soon make available to residents a program enabling them to receive various alerts regarding public safety and other community-related messages. In early September, those who have landlines will receive a message about the new program.

For mobile phones you will be able to opt in by texting 888-777 and entering 60042 in the message. You will then receive a text from Nixle Public Safety with instructions and the option for adding an email address.

Once the program goes live, there will be a link on the Village website (villageofislandlake.com) for opting in.

IMPORTANT INFORMATION:

Garbage and water rates increase:	See page 3
Community Watch	See page 2
Holiday Craft Faire	See page 15
"Did you Know"	See page 8
Holiday Meals	See page 9
Star Lighting	See page 9

Chief of Police - Dan Palmer

By the time you are reading this newsletter, school will be well underway. **Please drive carefully.** September brings with it earlier sunsets. As a result, children participating in after school activities and sports may arrive home during the usual rush hour and after dark.

As you may have heard, the State Law on cell phone use was tightened effective July 1, 2019. **Simply holding a cell phone in your hand while operating a motor vehicle is a moving violation.** Island Lake Police routinely enforce this law. With improving manpower, expect to see a renewed effort in enforcement of this

important area.

One of my primary duties when I arrived here was to stabilize the department. The end of September will mark my first full year here in Island Lake and that stabilization has been achieved. In the nearly three years prior to my arrival, this department lost a total of 17 employees. Hiring is an expensive proposition, costing much more than an individual salary. Associated costs include wasted training expenses, uniform costs—as well as costing the department experienced personnel. Since my arrival, no other employees that I was hired to lead have left the department. Training, morale and attitudes have improved sharply. Your Mayor and Board of Trustees recognized and acted on this need and should be congratulated for solving this issue.

Sometime in October or November, you will be noticing the new squads out in patrol. Another area that required attention was the police fleet. Too many cars had too many miles and were being used beyond what they should have been. Recently, the Board approved a lease agreement with Enterprise Leasing to begin to update our fleet. It's a step toward replacing the fleet, making the squad cars uniform and allowing the officers better equipment with which to serve the community.

I hope everyone is able to get out and enjoy a wonderful Fall. By my score, Mother Nature owes us a beautiful and long Fall Season.

Please join the Island Lake Police Department in the Community Watch effort. The purpose of Community Watch is to engage and collaborate with our community—residents, community groups and businesses—to unite, inform, and protect our community. Meetings cover a variety of topics related to public awareness and safety and often feature guest presenters.

Dates/times: 7pm, 2nd Monday of every other month (Jan., March, May, July, Sept., Nov.)

2019 remaining meetings: Sept. 9 and Nov. 11

Location: Senior Center at the Village Hall

For more information: Contact Detective Knebl and watch the website, www.villageofislandlake.com.

lisa.knebl@islandlakepolice.com

Want to receive board meeting agendas, Lake Management news or news of events in town? Email georgine.cooper@voislk.com to be added to any or all of the mailing lists.

Water Department — Patrick Stewart, Water Superintendent

2018 Water Main Replacement Project

Ethel Terrace and Oak Terrace water main projects were completed October 1st 2018, and to date 100% of customers affected have switched over to the new main. We would like to thank everyone for their cooperation and understanding. **Thank You!**

Twice a month, our staff collects samples from residents' homes for the purpose of bacteriological analysis. The samples are collected from sites throughout town that are approved by the Illinois Environmental Protection Agency. Thank you to all of our residents that have volunteered. **Thanks so much again!**

Insulate your water lines.

Fall is here and the time is now! Check your crawl space/basement for any small holes or gaps that will allow cold air to blow on your water lines, causing them to freeze and possibly burst. It is much easier to do this now than in January in subzero temperatures.

As always, we encourage any questions or concerns regarding the water system and water quality that we provide. Please feel free to call us at 847-526-1954.

A copy of the annual water quality report can be found online at <https://villageofislandlake.com/administration/water-department/>.

Water and Garbage Rate Increase

The quarterly garbage bill increased from \$52.00 to \$54.00 per quarter* (per Ordinance 1593-19, available on our website here: <https://villageofislandlake.com/wp-content/uploads/2019/08/1593-19-Garbage-Fees.pdf> and as listed in the message center of your last garbage bill.).

This represents an increase of \$8.00 per home per year to cover the cost of the annual increase in rates of the current contract from our waste hauler.

Your next water bill will reflect an increase in the rate per \$1,000 gallons from \$4.18 to \$5.00 (per Ordinance 1594-19, available on our website here: <https://villageofislandlake.com/wp-content/uploads/2019/08/1594-19-Water-Rates.pdf>). The service charge remains at \$34.00* per quarter. The increase will help to fund maintenance and improvements to the water system infrastructure. Even with the increase, the Village of Island Lake rates are in the middle of the rates in our neighboring communities/municipalities. .

***Seniors (65 years and better) are eligible for a 20% discount** on the quarterly service fee portion of the water bill, and on the quarterly garbage bill. Register in person at the Village Hall to receive the discount.

If you have any questions please call the Village Hall 847-526-8764.

Public Works - Brian Bartnick, Director

2019 is flying by! The kids are back in school, the days and nights are getting cooler, and the Public Works Department is still in full swing patching, repairing, fixing, cutting, clearing, building and doing numerous projects throughout town. Storms and road repair have kept us busy.

We would like to honor William “Willie” Kootstra, who retired after 33 years of dedicated service to the residents of the Village of Island Lake. Your tireless commitment has made a difference in our community. We hope that your hours and days are filled with joy and with doing whatever you please at your own pace. We hope you find the new challenges and success and in your retirement that you

enjoyed in your career here. We appreciate the way you mentored and guided the team.

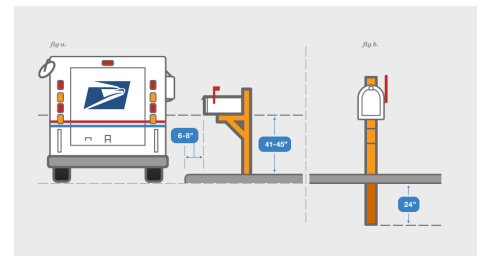

Thank you, Willie!

FREE MULCH for Island Lake residents! Enhance your yard and garden with *free mulch* available at Converse Park North (across the street from the Converse Park parking lot and playground). Bring your shovel and containers, as you will have to load it yourself. Load at your own risk. The Village of Island Lake is not responsible for damage to vehicles and equipment or injuries incurred.

Keep leaves and grass clippings out of the street and away from storm sewers, please. They can be dangerous to traffic—especially to bike and motorcycles. They can clog up storm sewers and cause flooding or poor drainage. Thank you for supporting the safety of our streets and the people who use them.

It's a good time of the year to make sure your mailbox posts are sturdy and secure. The Village will repair mailboxes *only if we hit them*. Your mailbox post should be secure enough to withstand the weight and impact of snow pushed by the plow. The U.S. Postal Service suggests a 4" x 4" wooden support or a 2" diameter standard steel or aluminum pipe. For the full list of U.S. Postal Service guidelines and specifications, go to <https://www.usps.com/manage/mailboxes.htm>.

You can reach the Public Works Department Monday thru Friday 7:00AM to 3:30PM at 847-526-8767, through the Village web site at villageofislandlake.com, direct email at publicworks@villageofislandlake.com.

For emergencies, contact the Police Department and they will contact the proper personnel.

SLOW DOWN!
Drive safely in work zones.

Building Department – Russell Kraly, Building Official

I am pleased to serve the Village of Island Lake as your new Building Official. Let me briefly introduce myself. I have over forty years in public service of one form or another. My various roles include: building inspector and building and zoning official, village administrator, president of Zoning Board of Appeals, Police Pension Board trustee and Round Lake village trustee (in my third term). I am a licensed and certified building inspector. I look forward to meeting you in the course of my work.

Does your project require a permit? As you plan to finish your outdoor projects this fall and get ready for indoor projects this winter, make sure you have all your paperwork ready when you submit your application. Please note:

- **Homeowners Association (HOA) approval letter**—where applicable—must be submitted with your permit application.
- **Contractors must be registered with the Village of Island Lake.** If you are using a contractor, make sure he or she has a current registration.
- **Plat of survey**—where applicable—must be submitted with your permit application. *The Village of Island Lake does keep records of plats of survey.* (You may have a copy with your mortgage papers.)

Typical projects that require permits include:

- Additions and basement build-outs.
- Paver patios and walkways.
- Decks and porches.
- Concrete slabs, patios and sidewalks.
- Demolitions of any structure.
- Dumpster in residential area.
- Driveways and parking lots.
- Electrical new or upgrades (Copper wire and metal conduit is required.)
- Plumbing new or upgrades
- Seawalls, docks and piers.
- Fireplaces and fire pits.
- HVAC new or upgrades. Furnaces, A/C units and water heaters.
- Fences, garages and sheds.
- Gazebos, screen rooms and pergolas.
- Kitchen or bath remodeling that involves structural and/or utility changes.
- Roofing, gutters and downspouts.
- Siding, fascia and soffit.
- Windows and doors.
- Signs and flagpoles.
- Swimming pools and hot tubs

An Owner Transfer Inspection (OTI) is required before the sale of a property. See the checklist on our website at the link below. **Rental Inspections and Registrations are also required at all rental units.**

Go to our website at: <https://villageofislandlake.com/administration/building-zoning-and-economic-development/> to download the *Permit Process and Guidelines* brochure and other useful forms and information.

Reminder: **Hours for outdoor construction are...**

Monday - Friday: 7am - 7pm

Saturday: 8am - 5pm

Sundays and holidays: 8am - 4pm

Please be courteous of your neighbors.

For other questions about requirements and projects, call me at 847-526-8764, ext. 7862.

Emergency Management – Calvin Clay, Coordinator

Our mission is community safety within the guidelines while obtaining the proper training to support our village in the event of a disaster/emergency call-out.

Hello Residents & Friends. Summer finally arrived in mid-July, straight to sun and hot temperatures with significant rain fall that I thought would never end. I hope everyone made the best of it, as I did. Fall is fast approaching but we are not out of the woods yet with regards to the mosquitoes. Keep the mosquito repellent close by. Now is a good time to plan some fall cleaning. Be safety conscious to avoid an injury if you are lifting or on a ladder. Apply the buddy system if you need a hand.

Reminder: Check your Smoke and Carbon Monoxide Detectors. Test the and replace them if they are weak. *Replace a faulty detector immediately.*

I would like to thank my team for their dedication and support. **Community Safety** is our commitment to all the residents. The Island Lake EMA Team supports our Police, Publics Works and Parks and Rec departments and the Wauconda Area Fire District with traffic support and community service. This helps keep our community safe.

Emergency Preparedness Kit: Remember to stock your Emergency Preparedness Kit with bottled water, a first-aid kit, non-perishable/canned foods, a good can-opener, flashlight, spare batteries, blankets, matches/lighter and a tool-kit.

Emergency Management Team Meets 4th Wednesday of the month at the Village Hall at 19:00hrs/7:00pm. Volunteers are welcome.

Economic Development — Trustee Chuck Cermak

Shop Island Lake!

Welcome Ruby's Beauty Salon, located at 535 Auburn Drive (in the strip mall with 7-Eleven), owned by Rubicela Rubio. Business hours are Mon – Sat 9am – 8 pm, Sun 9-5. Call 815-345-7318 for information and appointments.

Congratulations Blackhawk Bank, (formerly First National Bank of McHenry), located at 660 E. State Road on the August 6 ribbon cutting. President/CEO Dave Adkins said that "customer service focus" is the priority. He is pictured at right cutting the ribbon as Mayor Amrich and bank staff and officers look on.

Need a break from cooking? Island Lake has an assortment of local, registered food businesses: Bella Luke's, Chi-Town Dogs, Culvers, Dunkin' Donuts, El Norteño, Hunan Gourmet, Island Café, McDonald's, Nancy's Pizza, Sofia's Place, Sideouts Bar & Eatery and Taco & Burrito Express. *In coming newsletters look for mention of other businesses conveniently located in our community.*

Thank you to Culver's of Island Lake for donating free frozen custard certificates for those who attended the National Night Out Event.

WANTED: New businesses to fill our commercial areas. Island Lake has a number of open and convenient locations. Call Trustee Cermak, 847-526-0177, to explore business options. Go to our website to see what's available to meet the needs of your business: <https://villageofislandlake.com/> and click on the **Retail Properties Available** link in the "News You Can Use" section of the main page.

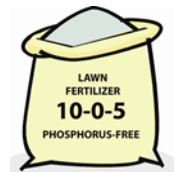

Lake Management Committee – Ken Wick (LMC)

Lake Management Committee (LMC) has long term goals. We have been looking into what it would take to dredge our lake. This is a MUST for the future and health of Island Lake. The lake is nearly 100 years old and with that nearly 100 years of sludge and buildup on the lake bottom (With the exception of circle bay and forest bay that had some sludge removed in the 80's). The proper way to reclaim our lake would be to dredge.

Currently, the LMC is looking at quotes for Hydrographic surveys and sediment studies. With this being the first step, we will know approximately just how much sediment has built up over its life and the possibility to restore the lake bottom and depths back to their original specs. These surveys use specific sonar equipment to determine the actual depth of sediments and beyond. We will be able to know if the “true” lake bottom consists of sand, stone and gravel. This will also determine the amount of material that would need to be removed, and will be vital information for future planning. Once this first step of the process is completed, the Lake Management Committee will then present this information to the Board of Trustees with a recommendation. This will be a LONG term research and/or project we hope one day will become reality for our Villages Largest Park and future generations to come.

Reminder: Help preserve our water quality by using phosphorus-free fertilizers ONLY.

September and October can deliver lots of rain and water into our watershed. This runoff flows into our namesake lake, Cotton Creek Marsh and also the Fox River. The Village adopted an ordinance banning the use of all phosphate fertilizers. Phosphate free fertilizers can be found at most retailers. On each bag of fertilizer, the middle of the three numbers represents phosphates. When you purchase a bag of fertilizer with the middle number of “0” you are getting phosphate free fertilizer.

Do your part to protect water quality when you...

Apply fertilizer at the recommended rate. (Fall is the best time to apply for good results.)

Don't fertilize before a storm or apply fertilizer to frozen ground.

Keep soil, leaves, and lawn clippings out of the street, ditches, storm drains, and stream; bag, compost, or leaving them on the lawn as natural fertilizer.

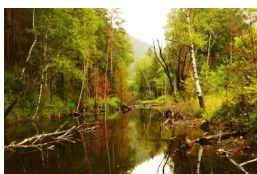

Mow higher. Keeping your grass length to 2½ – 3 inches is healthier for your lawn and means you can mow less often!

Pick up pet waste. It can contain harmful bacteria as well as phosphorus.

Control soil erosion around your house by covering exposed soil with vegetation or mulch. Bare soil is easily washed away and into storm sewers when it rains.

Provided by the Island Lake, Lake Management Committee

**Focusing on the health, viability and enhancement of
Island Lake for future generations.**

There have been many trees in the water, IT IS the homeowners responsibility to have any trees removed that have fallen from your property into the waterway. If the tree has been or is rooted from your property and falls into the lake, it is the homeowners responsibility to have it removed within 30 days. Most often this will be covered under your homeowners insurance.

Activities & Events

Historical Society Boat Tours will continue through October, (weather permitting).

One-hour tours depart from Eastway Park and feature a long-time resident historical guide. **Suggested donation of \$10.00 per person** benefits the work of the Historical Society.

Contact Liz Nelson at 847-609-9050 or lizznelson@me.com for information or to arrange a tour.

Venetian Night, Saturday, September 7, 2019

The 21st Annual Venetian Night will feature a **80's theme**. Join the fun with your canoe, pontoon boat, paddle boat or fishing boat all types of boats are welcome! Decorate a lot, a little or not at all.

Meet by the dam at 6:30 p.m. We'll cruise around the lake then tie up at Eastway Park for a picnic. Hot dogs and chips provided. Feel free to bring "goodies" to share. We'll award a trophy awarded for boat best conveying the theme. **For more information** call Connie at 224-656-2822.

First Annual Oktoberfest: October 4th and 5th

Gemütlichkeit* anyone? Come out to Water Tower Park for Island Lake's first Oktoberfest! This family friendly Events fundraiser will feature food, drink, and fun for all ages.

Feast on bratwurst, schnitzel, hot dogs for the kids and more! Enjoy a selection of German and American beverages. Dance to the sounds of Jimmy's Bavarians Band, Chicago's #1 Oompah Band. Enjoy the antics of Those Funny Little People: "We dance; we talk; we make you laugh."

The Fest will also feature crafts and games for the kids, a stein holding contest, Oktoberfest themed merchandise for purchase and a variety of vendors!

Where: Water Tower Park, 429 W. State Rd (1/4 mile east of River Rd. on Rte. 176)

When: Friday, October 4 and Saturday, October 5, 5pm – Midnight (last call at 10:30pm)

For more information, contact Will Ziegler:
Will.Ziegler@voislk.com

***Gemütlichkeit** (*roughly* pronounced guh MEWT lick kite): a situation that induces a cheerful mood, peace of mind, with connotation of belonging and social acceptance, coziness and unhurry

Did you know?

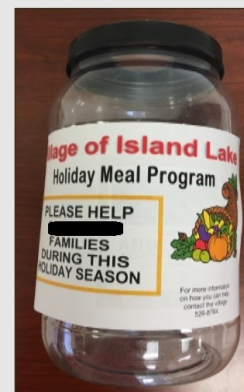

- **The Village of Island Lake does not provide wild animal control unless an animal is an immediate threat.** If you have an animal pest on your property, call a private agency for removal.
- **The Village of Island Lake does not have legal plats of survey on file.** Check your mortgage papers for a copy. You may need to get a survey done if you don't have one and if it is required for a permit application.
- **The Senior Discount on your water bill applies only to the service fee portion**—(not the per 1,000 gallons charge.) However, the discount does apply to the entire garbage bill.
- **The Village of Island Lake bills for water and garbage only.** Northern Moraine Water Reclamation District (NMWRD) sanitary (sewer) bills must be paid to NMWRD by mail or in person at 420 Timber Trail, Island Lake.

Activities & Events

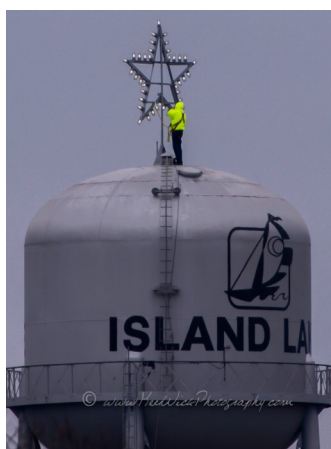

Holiday Meals Collection to Begins Nov. 1st

The holiday season will be here soon & once again, the village will be providing Thanksgiving and Christmas meals to families in need within our Village. Starting November 1st look for donation jars at the village hall and in local businesses. Your generous donations will help us provide 20 holiday meals for these families.

For more information about how you can help, call Connie at the Village Hall: 847-416-7857.

Star Lighting Ceremony - 11/23 6:30 pm

On November 23, the Historical Society & village will host a viewing party at Culvers so all can again celebrate the lighting of the star for the holiday season. Residents can enjoy Culver's hospitality and a great vantage point for the 6:30 p.m. star lighting. Culver's will donate a portion of the proceeds from the meals and treats to the Historical Society & Village.

In 1965, members of The Island Lake Businessmen's organization built a 12-foot lighted star and placed it atop the 110-foot original Island Lake water tower. Over the years the star began showing its age. For the first time in its history, the star came down last year (2018) and was refurbished. To celebrate the reborn star, the Historical Society hosted a viewing party at Culvers which was a big success. In attendance were the men who constructed the original star and residents of all ages.

Tree Lighting Ceremony and Angel Tree

When: Friday December 6, 2019

Time: 6-8pm

Where: Village of Island Lake

- * Crafts
- * Hot chocolate and Donuts
- * Hayrides

Stay warm outside by our bonfires and enjoy a visit with a Very Special Guest.

Would you like to help Island Lake families in need put something special under the tree for their children? **Angel tree tags** will be ready for the tree lighting. If you cannot pick up the tag(s) that night, pick up a tag from the Village Hall.

For information about the Angel tree, call Connie at 847-416-7857.

EVENTS**

ISLAND LAKE RECREATION/CLUB/SUMMER CAMP – LORI TANZILLO

www.villageofislandlake.com 847.416.7866 Fax 847.526.5961

Hello Fall!

It has been a great summer! It seemed to go by so quickly. As quickly as we were saying “Hello” to our new “Camp Greenleaf” friends, we were once again saying “See you next summer”. They did many fun activities in Camp this year such as making slime, creating and painting their own ceramics creature, waterslide day, salt crystal experiment, painting their own canvases, and more. Some of the places we went to visit were multiple waterparks around the suburbs, the Milwaukee Zoo (a yearly

favorite), The Dancing Horses, Donley’s Wild West, Santa’s Village, Volo Auto Museum, Puna Chocolate, Nickel City, and so many more.

I want to thank our tremendous bus drivers Amy Gibrick, Ruth Morits, Patrick McConnell, and Christy Wood for making sure all were transported to and back on our field trips safely.

A big “Thank You” to my amazing staff:

Kelli Anderson
Michael Cieslak-Degross
Robin Hollander
Abby Ribar
Ashley Zoephel

Shelley Aquino
Lynne Drake
Tammy Jackson
Stephanie Treptow

Alyssa Brush
Maya Fenney
Eileen Penney
Amy Weber

This Camp could not have been run so smoothly without all of you!! We look forward to a successful 2020 and will be able to fit more children since we now own a larger bus!! Yeah!

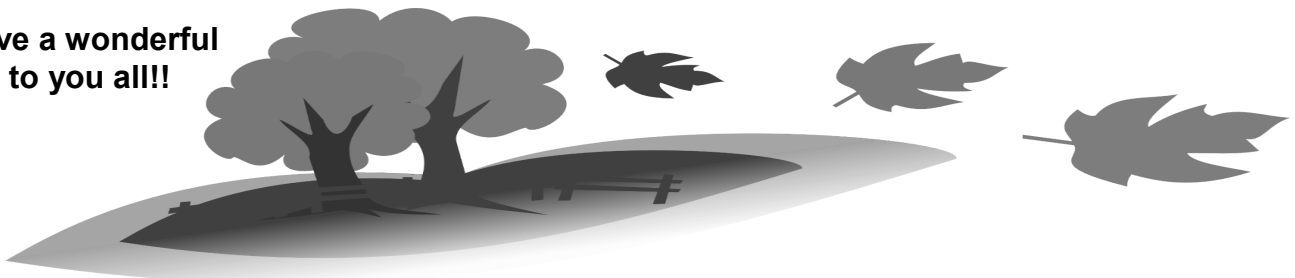

T-Ball finished its season with only one rained out game, which was amazing after the long, cold, wet Spring we had. Thank you to all of the parents who helped out with the program as well as Kevin Holtz and his staff from “Hot Shot Sports”. We appreciate the hard work in making the programs fun for our little ones.

Just a reminder that our annual “Holiday Craft Fair” will be taking place once again this November 16 & 17. Please pass along to all of your crafty friends, family, and neighbors who may be interested in making some extra money for the Holidays. More information is in this Newsletter.

Watch for Sr. Chair yoga along with many more programs coming soon.

Please continue to look through the guide for more information regarding all of our Recreation programs taking place this fall.

**Have a wonderful
fall to you all!!**

BEFORE AND AFTER SCHOOL “CLUB” FOR COTTON CREEK ELEMENTARY SCHOOL

2019/2020

The Village of Island Lake offers a “Before and After School Club” program at Cotton Creek Elementary School during the school year.

The morning program runs from 6:30 a.m. to 9:05 a.m. Monday through Thursday, and 6:30 a.m. to 9:30 a.m. on Fridays.

The afternoon program runs from 3:40 p.m. to 6:00 p.m.

During club hours your child will participate in a variety of activities including homework time, games, sports, crafts, snack, and free time.

We have loving and caring counselors who would love to welcome your child into our fun and friendly environment.

For more information or to register for Club please call the office at 847.416.7866, or go to www.villageofislandlake.com (Recreation)

Class #:

125-06

Saturday: (8/punch card)
Date: 9/14 – 11/2
Time: 10:45 – 11:45a.m.
Ages: 16/Adult
Location: Gym
Minimum: 5/20
Instructor: Denise
Fee: \$55/ Res./ \$60/Non

RECREATION CLASSES

SPORTS R US

We put the "U" in fun!

Jr. Soccer

The main goal of **Sports R Us** is to build a foundation in athletics through quality instruction in which each participant can build upon, as they grow older. Along with this, we seek to improve each participant's mental and physical well-being by stressing sportsmanship, teamwork, and above all FUN in athletics. We always try to minimize the competition level and promote increased participation. Nobody is a loser in our classes; **everybody is a WINNER!!!**

Pee Wee Sports

We have found this exciting class to be just what parents need to give their children a positive first step into athletics. We play a different sport each week, including soccer, baseball, hockey, basketball, and football. Participants will start developing socialization, teamwork, direction following, and key motor skills.

Class#: 305-01
Wed: (6 Weeks)
Date: 9/11 – 10/16
10/30 – 12/11
Time: 11:30 – 12:20
Ages: 3-5 yrs
Min/Max 6/20
Location: Village Hall Gym
Fee: \$55 Res./\$60 Non

Pee Wee Soccer

Kick in some excitement with this instructional program perfect for the first timer. With the use of smaller sized soccer balls, players will learn the basic skills of dribbling, passing, shooting, and goaltending. Instructors will work with participants on good sportsmanship, participation, and teamwork. This is a great class for both boys and girls!

Games will be played at the end of each class.

Parent participation welcomed.

Class#: 335-01
Tuesday: (6 weeks)
Date: 9/17 – 10/22
Time: 5:00- 5:50
Ages: 3 - 5 yrs
Location: Village Hall Gym
Min/Max: 6/20
Fee: \$55 Res/\$60 Non

Love the game of soccer and it's the off-season? Do you play a lot, or do you play very little? Join us for a non-competitive, skill development program. We will go over the basic skills of dribbling, passing, shooting, goal tending, and positions. There will be weekly progress on the technical aspects of the game. At the end of each class a game will be played.

Class #: 348-01
Tuesday: (6 weeks)
Date: 9/17 – 10/22
Time: 6:00– 6:50
Ages: 6 - 8 yrs
Location: Village Hall Gym
Min/Max 6/20
Fee: \$55 Res./\$60 Non

Lil Pint Soccer & Basketball

The fundamentals of these sports will be taught in this combination class. Your child will enhance their soccer and basketball skills while learning teamwork. All the basic skills of dribbling, passing, and shooting will be some of the skills taught. Teamwork, participation, and good sportsmanship are stressed. Both boys and girls are encouraged to join this class if they have an interest in soccer and basketball.

Class #: 313-01

Island Lake Lions

Thanks to all who made the 2019 Corn Fest a success!

Mark your calendars for our next big event: 2019 Ice Fishing Derby on Saturday, February 1, 2020 - ice permitting. As in decades of derbies, this one promises fun, fish, and prizes (and no frostbite for those who dress for the weather).

We're always looking for new members to join our club. Are you young or mature, male or female? Join us in community service and activities. Our local club is part of the international organization with the mission *"To empower volunteers to serve their communities, meet humanitarian needs, encourage peace and promote international understanding through Lions clubs."*

Join us for one of our monthly dinner meetings at a local eatery—usually on the 3rd Wednesday of each month @ 7:30pm. Meeting locations are noted on our website.

For all Island Lake Lions Club information—membership, meetings or events, call President Geoff Zivic 224-715-0481 or email liongeoff@sbcglobal.net.

The Story behind our Cobra Helicopter by Bob Carpenter, Project Manager

Through the efforts of many volunteers working with the **VFW Post 2486** and the **American Legion Post 911**, our Cobra Helicopter Tail Number 15-736 was brought to Island Lake in 2002, where it was dedicated and released for public display. It served in Vietnam from 1969 to 1972, then went to Hawaii to be used for training. Our Cobra logged 1,807 flight hours before being released from active duty in 1975.

Newly refurbished Cobra Helicopter Tail Number 15-736 was rededicated on July 4, 2019,

following the Village Picnic. Captain Barry DuFor, former Cobra pilot and flight instructor, led the ceremony and provided a history of the helicopter's service in Vietnam. Mayor Amrich, also a Vietnam veteran, also spoke. Captain Barry gave special recognition to Chet Malanowski, who did the repainting. Many others helped with the cleaning, scrapping, prepping and application of new stencils and decals.

If you haven't been to Veterans Park lately, be sure to stop by to see our new revitalized helicopter and the new monument telling the story of the Cobra 15-736.

Island Lake Senior Club — Cathy Christiansen

Are you at least 55 years old? The Island Lake Seniors Club welcomes you to join us. **We meet the 2nd Tuesday of each month at 12:30 PM** in the Senior Center at the Village Hall, 3720 Greenleaf Ave. **Doors open at 11:30.** Coffee, tea, and refreshments are served. A small door prize or cash is awarded to one person at each meeting via a drawing. We also have raffles periodically.

Join us for one meeting free of charge and enjoy whatever activities we are doing. If you decide to join, dues are only \$18 per year, which includes a reduced cost for the St. Patrick's Day and Christmas luncheons. (In July, dues are 1/2 price: \$9). We are always looking for new members and fresh ideas. You don't have to be a resident of Island Lake to join. Hope to see you there!

Any questions? Please call President Catherine Christensen, 262-237-2961.

Upcoming 2019 Activities

Sept. 10	Club's Anniversary "Yodel a Hee Hoo" with Mark and Maria
Oct. 8	White Elephant Sale

Wednesday, September 25, 10am – 12pm, Senior Center, Village Hall

Historical Society of Island Lake— Connie Mascillino

FALL, 1941

The publishing of an Island Lake newsletter for residents began decades ago. Even though the Village was not yet incorporated and was made up of mostly summer homes, the Property Owners Association published the newsletter and sent it to those who paid their property owner dues. The Fall, 1941 issue included news from the Association—such as expected dues of \$3,226 to cover the road maintenance and deputy salary.

Who were "Bring-'Em-In-Riley" and Ed Dumaski? The newsletter highlighted residents who contributed to the community. William Riley was called "Bring-Em-In-Riley" because he was responsible for about one sixth of the Property Owners Association membership. Ed Dumaski had been hired by the association because he was reliable and had a truck. He would haul garbage and sand and gravel. He would also do "gate watch" services.

Pictures and stories of resident's social life and ads for local businesses filled the newsletter. Does anyone remember Carr's Sweet Shop in Wauconda, Heul's Lunch & Cabins, Clem's Picture Bar, or Peterson's Dry Goods Store?

The Historical Society of Island Lake is fortunate to have original copies of many of the newsletters that were from a simpler time and filled with stories of those who were passionate about their little lakeside community.

Would you like to become a supporter of the Historical Society of Island Lake? Do you have memories to share about growing up or spending summers in Island Lake? We'd love to hear from you. Email mccm46@att.net.

ISLAND LAKE WOMAN'S CLUB by Dona Willard

The Island Lake Woman's Club, proudly in its 76th year, is carrying on a tradition of serving community needs and supporting worthy charities — always an important presence in the Village. As you can see by the newspaper article below, from Al Schmidt's community news column in the June 1976 Countryside Press, our Club has done some valuable work over the years. We are proud of the constant honors and recognition from the General Federation of Women's Clubs, and especially the appreciation of the community and Village of Island Lake.

Our projects and charities may have changed and developed over the years, but our enthusiasm remains the same. For many years we have planted and maintained two of the entrance gates to the Village. Through the years we have supported veterans at the VA hospital in North Chicago with warm socks in the winter, Valentines with small donations to be spent in the canteen, and funds for their Christmas dinner.

We also support the USO, the Veterans National Home for Children, Canine Companions, and Soldier's Best Friend, the Salvation Army, the Heart Fund, Smile Train, and Heifer International. Our local support includes schools and libraries, the Wauconda/Island Lake Food Pantry, and the House of Hope Pet Food Pantry.

Our members are hard-working and loyal. Note that three of Eileen Haynes' daughters are long-standing members of the club, and some of our members are third and fourth generation!

Want to join the small but mighty Woman's Club and help with our work? Please call Dona Willard at 847-526-3408, or email donawillard@comcast.net. Meetings are held on the second Thursday of the month in the Senior Center of the Village Hall. Luncheon is served at 12:00 P.M.

— 0 —
THE ISLAND LAKE WOMEN'S CLUB can be proud of the awards it received at the annual meeting of the district. The club received a first place in cultural heritage, second place in American citizenship, third place in family living and spiritual values, third place in Bicentennial projects, second place in beautification and reforestation, and a second in community improvement projects. Indeed outgoing president Lillian Marsh can be proud of her two years as Women's Club president. We also wish the very best to the incoming president, Eileen Haynes.

VICTORY GARDEN by Mary Schuman

This growing season is one for the history books. First we had so much rain, it seemed plants would never get a good start. This was followed by heat; however, by 4th of July all varieties of veggies, fruit and flowers had caught up to where we hoped they would be. Powdery mildew and Japanese beetles invaded the area to give us some challenges, but the abundance of the garden never ceases to amaze everyone who sees it!

The growing season is quickly coming to an end. As soon as your plot stops producing, please start cleaning it out. Some gardeners are growing weeds it seems, so the de-weeding chore may be a bit more than usual. Investing time removing weeds from paths and plots now will save you some hard work later and for next spring. Use large brown lawn bags and leave filled bags behind the water tank.

Final Victory Garden cleanup will be Saturday, October 26th (traditionally the last Saturday in October). By all means, have your plots cleaned out before that date. Please join us if you are able to volunteer time to help with clean-and-close chores. We will start at 9:00 AM and hope to finish by noon.

I hope you enjoyed your gardening experience as well as the wonderful gifts of food the garden gives you. If you wish to reserve your plot(s) for next year. Please sign up on closing day.

Wauconda Township* Senior Events and Services

WAUCONDA FIRE PROTECTION DISTRICT

Change the batteries on your smoke and carbon monoxide detectors when you turn back the clocks for daylight savings time on November 3, 2019. Standard life on most detectors is 7-10 years. Affordable replacements can be found at hardware, home improvement stores and department stores.

Public Education Programs: The Wauconda Fire District offers a variety of education programs for the public. Some of the programs include the ones listed below. Visit our website: <https://waucondafire.org/> and click on the Public Education tab to see the full list and descriptions. For more information, contact Mike DaValle, 847-526-2821, mdavalle@waucondafire.org.

Birthday Party Program: Fun and educational experience for children; low cost alternative for parents. Parties are held at Wauconda Fire Station # 1, 109 W. Liberty Street in Wauconda.

Fire Station Tours: Get a better understanding of how a fire station works and take a close look at the fire engines and other vehicles we use to protect our community. Walk-in tours are available during the day or early evening hours; you can also call ahead to make an appointment.

Home Fire Safety Inspections: Do you have questions about the fire safety of your home? Fire District residents can request an inspection do an informal inspection and get ideas about how to make your home a safer place.

"Remembering When" Program and Free Smoke Detector Program for Senior Citizens: This program teaches fire and fall prevention to senior citizens. Through a state grant program, we can provide battery operated smoke detectors free of charge to senior citizen residents who own single family homes.

Juvenile Firesetter Intervention: A staff of state certified intervention specialists can interview at risk youth and their families in this program designed to help recognize dangerous fire-setting behavior in children and adolescents.

Cardio Pulmonary Resuscitation (CPR) classes are offered to the residents of our Fire District for a fee of \$55.00, non-residents are welcome to attend our classes for a fee of \$65.00. Private Classes, all classes are held at our Headquarters Station, located at, 109 West Liberty Street. Contact Brad Koffen at 847-526-2821, bkoffen@waucondafire.org.

The Mission of the Wauconda Fire District is to Faithfully Serve our Community through Emergency Response, Education, Prevention, and Social Interaction.

The Wauconda-Island Lake Food Pantry,

located at 505 W. Bonner Rd. (behind the Wauconda Township Office) is a nonprofit organization serving an average of 248 families monthly in the Wauconda/Island Lake area. **Contact them** at 847-526-8684.

A collection box is located at the Village Hall.
