

VILLAGE OF ISLAND LAKE

Winter 2019/2020 NEWSLETTER & RECREATION GUIDE Dec., Jan., Feb.

Thank you for your patience during the renovation of the front entrance to the Village Hall and apologies for any inconvenience caused by the construction. Once construction is finished, a concrete ramp and an electronic door openers will

make the entrance handicapped accessible. This project was made possible by a Lake County Community Development Block Grant.

Additional handicapped parking will be available by the main entrance in the area where part of the canopy was removed, as part of the renovation. We will also be repaving the entire parking lot.

The problem we have now is that we ran out of good weather to finish the project. We will complete the renovations in the Spring.

Due to the cold weather coming early, we have also had to put off until spring some road paving projects in several areas of the Village.

Thank you to our dedicated volunteers and generous residents who work together to bring holiday meals to families in need in our community. Thank

you for thinking of others when you see the collection jars in businesses around town.

Your 2020 vehicle sticker forms should have arrived in the mail by now. New residents, stop by the office for a form.

Stickers must be **purchased** and **displayed** on your windshield **on or before February 14, 2020.**

DATES TO REMEMBER:

Dec 2 2020 Vehicle Stickers are available for purchase at the Village Hall.

6 Tree Lighting and Angel Tree 6pm

24-25 Village Office Closed

2020 HAPPY NEW YEAR

Jan 1 Village Office Closed

13 Community Watch 7pm

29 Preschool Open House 5:30pm

Feb 1 Lions Ice Fishing Derby

7 Royal Ball Dance

14 VEHICLE STICKERS DUE!

15 LATE FEES APPLIED TO VEHICLE STICKERS

Public Safety and Community Alerts Program Soon to be Available

The Village of Island Lake will soon make available to residents a program enabling them to receive various alerts regarding public safety and other community-related messages. In early September, those who have landlines will receive a message about the new program.

For mobile phones you will be able to opt in by texting 888-777 and entering 60042 in the message. You will then receive a text from Nixle Public Safety with instructions and the option for adding an email address.

Once the program goes live, there will be a link on the Village website (villageofislandlake.com) for opting in.

Chief of Police - Dan Palmer

With the shorter days and the change of the clocks, it most definitely fall in Island Lake. It's dark early, it's cold and the kids are in the midst of their school year. Snow arrived early—just before Halloween this year. **It's always a good time to remind motorists to slow down.** We routinely receive speeding auto complaints in our many subdivisions. Even when cars are operating at the posted speed limits, it can look dangerous to walkers, children and others when in a residential area. When we do cite offenders, we find it is most likely the subdivision residents themselves who are speeding. This isn't surprising because—other than on cut-through streets—the majority of traffic on residential streets consists of the residents who live there.

The dark of winter comes before 5:00pm and children are still out and about. Odds are increased for cars to slide on seasonal slick roads. Increase your stopping distance on slick roads to avoid accidents. This makes safe speeds from traffic even more important. Don't let the impatient driver behind you pressure you into speeding up; *operate at a safe and comfortable speed.*

You've probably noticed several officers sporting neatly trimmed facial hair. In November of this year, the police department began growing facial hair to participate in **Mowvember**, an annual November event designed to raise awareness of "some of the biggest health issues faced by men: prostate cancer, testicular cancer, and mental health and suicide prevention." It encourages men to get involved by increasing attention to early cancer detection, diagnosis and obtaining effective treatments. The ultimate goal is to reduce the number of preventable deaths. Additionally, it encourages annual check-ups, asks that men be aware of a family history of cancer and promotes adoption of healthier lifestyles.

Welcome to Carol Barwacz, our part-time records clerk who joined the police department in September. Carol will assist Valerie Smith in record keeping and in service to the residents who visit us in person. Stop by and say *hi* the next time you're near the station.

Please join the Island Lake Police Department in the Community Watch effort. The purpose of Community Watch is to engage and collaborate with our community—residents, community groups and businesses—to unite, inform, and protect our community. Meetings cover a variety of topics related to public awareness and safety and often feature guest presenters.

Dates/times: 7pm, 2nd Monday of every other month (Jan., March, May, July, Sept., Nov.)

Location: Senior Center at the Village Hall

2020 meeting schedule: Jan. 13, Mar. 9, May 11, July 13, Sept. 14, Nov. 9 .

For more information: Contact Detective Knebl and watch the website, www.villageofislandlake.com.
lisa.knebl@islandlakepolice.com

Want to receive board meeting agendas, Lake Management news or news of events in town? Email georgine.cooper@voislk.com to be added to any or all of the mailing lists.

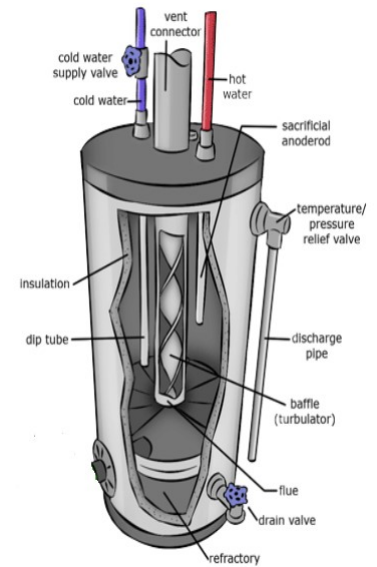

Water Department — Patrick Stewart, Water Superintendent

Flush your Hot Water Tank!

Does your water ever have discoloration, odor or low flow when taking a shower or using hot water at any of your faucets? Do you ever hear crackling in your hot water tank when it tries to heat? This is normally a sign that requires your water heater be flushed. Over time your hot water tank collects and builds

sediment from naturally occurring minerals and the sediment will usually rest at the bottom of the tank. Not only does this cause water quality issues, but also forms an insulator at the bottom of the tank forcing the heater to work harder and require more time and energy to heat your water. Most manufacturers recommend flushing your tank annually. Flush your hot water tank today!

Winter is Coming!

Cold weather is here! This is our yearly reminder to residents who have plumbing susceptible to freezing, now is the time to insulate, heat, seal! Residents should also know it is their responsibility to keep the water meter inside their home from freezing. A water meter that freezes can become very expensive. Not only will the meter have to be replaced at cost, but any broken/leaking meters that occur outside normal working hours will be considered non-emergency, and service charges will apply.

On another note, please DO NOT bury fire hydrants with snow. The hydrants are there for a reason; please make sure our fire fighters can find them in the event of an emergency!

As always, we encourage any questions or concerns regarding the water system and water quality that we provide.

Please feel free to call us at any time, 847-526-1954.

2020 Census Is Coming!

By April 1, 2020, every home will receive an invitation to participate in the 2020 Census. You will have three ways to respond.

- Online: 2020 is the first year for online response.
- By phone
- By mail

Participating in the census is required by law, even if you recently completed another survey from the Census Bureau. A complete and accurate count is critical for you and your community, because the results of the 2020 Census will affect community funding, congressional representation, and more.

For more information about the 2020 Census, visit the census website at <https://2020census.gov/en>

Would you like to work on the 2020 Census? Go to <https://2020census.gov/en/jobs.html> to apply.

Public Works - Brian Bartnick, Director

Storm Sewer Cleanup

You may have seen us around town vacuuming leaves in the area of street curbs and storm sewers. Last year the Village acquired a “Billy Goat” vacuum attachment for our Public Works trucks. It allows us to collect debris that builds up against curbs and on top of storm sewers. The Billy Goat is not large enough to do residential leaf collection but it works well to keep the storm sewers from clogging and help prevent flooding.

Fall repaving projects had to be rescheduled to spring, unfortunately, due to winter showing up on Halloween. Temperatures need to stay at be 45° for payment to adhere to the road surface. Roads to be resurfaced include Knightsbridge Drive, Revere Lane, Westminster cul-de-sac and Lexington Drive west of Westminster. **The Village Hall parking lot will also be repaved** and new handicapped parking spaces added by the main entrance to the building in the area that is now surrounded by bright orange plastic fencing. Pardon our dust while we work on these improvements.

Snow Removal Season Reminders

- ✓ *Arterial streets are priority*, for example: Eastway, Burnett, Waterford Way, Hale Lane, Newport Drive, Carriage Hill Road, and Westridge Drive.
- ✓ *Do not shovel, blow or plow snow onto the street.* (Village ordinance prohibits it.)
- ✓ *Park your vehicle off the street* when it starts to snow. This allows crews to clear the entire roadway and prevents the car from being plowed in, ticketed or towed.
- ✓ *Please show the snow plowing crew courtesy.* They are out there to make your travel safe.
- ✓ *Try to clear snow around fire hydrants.* This simple step could save precious time in emergencies.
- ✓ *Remove portable items* from the road right-of-way—for example, basketball hoops, benches and decor. The Village is not responsible for damage to these items resulting from snow removal operations.
- ✓ Mailboxes will be repaired by Public Works *only if we hit them with the snowplow.* The post and the box should be strong enough to withstand the weight of snow from the plow. (Letters were sent to owners of mailboxes identified as needing repair or replacement.)

You can reach the Public Works Department Monday thru Friday 7:00AM to 3:30PM at 847-526-8767, through the Village web site at villageofislandlake.com, direct email at publicworks@villageofislandlake.com.

For emergencies, contact the Police Department and they will contact the proper personnel.

FREE, Confidential Help from the DIAL 2-1-1 Helpline

DIAL 2-1-1 24 hours a day, 7 days a week to get free, confidential help finding resources for health and human service challenges.

You can also visit the United Way website at <https://uwmchenry.org/> for McHenry County and <https://www.uwlc.org/2-1-1> for Lake County.

Building Department – Russell Kraly, Building Official

It's hard to believe that I've been here for four months. Time flies. We've been busy catching up on permits and inspections, but we are now up to date and moving forward.

Fall has come and winter has reared its ugly head! First snowfall of the year and none of us was ready for what Mother Nature did. Most people haven't cleaned up their yards and put away the lawn furniture or anything else!

Potential Hazards with Leaves: Rake up your leaves and get them picked up. They can block storm sewers and culverts in the Village and contribute to flooding problems. Also, clean the leaves out of your gutters so they don't block your downspouts. Freezing temperatures, can cause ice back up and push frozen materials under the first few layers of shingles. Newer homes have ice and water shield under the shingle, which helps keep the moisture out of the house. In older homes with older shingles, ice under the shingles can melt and drip water on insulation and drywall and cause stains and possible mold problems. If you see a brownish looking stain on your ceiling it means you have a water leak somewhere and need to address it as soon as possible.

Permit Checklist: When you apply for permits to do projects around your house, make sure you bring the all the required paperwork with you. Attached to each permit application is a simple checklist developed by our building department staff to help you organize your papers.

- ☐ Permit Application, filled out completely
- ☐ Contractor registration
- ☐ Plat of Survey/Drawing, when applicable
- ☐ Homeowners Association (HOA) Approval Letter, when applicable
- ☐ Proposal/Contract

We will not accept the Permit Application if you don't have all of your paperwork because we cannot process it without the items on the checklist. Applications can be processed more quickly and efficiently if everything is in order. We don't want to misplace your important documents; it is a challenge to keep incomplete paperwork in order.

Thank you for your cooperation in helping us make the permitting process painless and more streamlined for all!

An Owner Transfer Inspection (OTI) is required before the sale of a property. See the checklist on our website at the link below. **Rental Inspections and Registrations are also required at all rental units.**

Hours for outdoor construction are...

- Monday - Friday: 7am - 7pm
 - Saturday: 8am - 5pm
 - Sundays and holidays: 8am - 4pm
- Please be courteous of your neighbors.

Go to our website at: <https://villageofislandlake.com/administration/building-zoning-and-economic-development/> to download the *Permit Process and Guidelines* brochure and other useful forms and information.

For other questions about requirements and projects, call Russell at 847-526-8764, ext. 7862.

Emergency Management – Calvin Clay, Coordinator

Our mission is community safety within the guidelines while obtaining the proper training to support our village in the event of a disaster/emergency call-out.

Hello Residents & Friends,

Winter started early. How about that early cold and snow in October! This winter will be as the others with cold temperatures and snow.

Safety is key when wet heavy snow accumulates. Winter can be fun for sledding and snow-ball fights—and yes, shoveling snow. If the snow/slush is too heavy to lift, push it to the side and do not try and lift it. Having a snow blower can be a good investment of equipment to remove snow. *Always read the instructions before operating.* The old fashion method of shoveling is still popular; be sure to purchase a long handle light weight shovel, make sure to use your legs and good slip resistant boots. **Prepare a winter safety kit for home and your car** (items to consider are bottle water, blankets, flashlight, matches/lighter, batteries, tool kit, small shovel, can-opener and a source of food).

Did you replace the batteries in your smoke detector/s and carbon monoxide detector/s to protect your family and pets? **Please do so!**

I want to thank our volunteers for their dedication and support, on behalf of the Village of Island Lake Emergency Management Agency, Our Emergency Management Meetings are held the fourth Wednesday of the month at the Village Hall at 19:00/ 7:00pm. Volunteers are welcome. I ask that you be an active team member, taking part in all the training exercises and be ready to support our Village upon request.

The EMA Team supports our Police, Fire, Public Works and Parks and Recreation within our specific training protocol. Our mission is Community Safety while keeping our village safe in case of a disaster.

Economic Development — Trustee Chuck Cermak

Shop Island Lake!

Welcome Nery's Nutrition Center, at 215 A E. State Rd. (in the strip mall with Salon Gia), owned by Nery Gonzalez. Business hours will be Mon – Sat 7am – noon and 5:30 – 8:30pm; Sun 7am – noon.

Congratulations to Sideouts at 4018 Roberts Rd. on their recent remodeling. Homemade pizza and ribs and full catering and delivery service will be made possible by the new kitchen. Upgrades also include a new kids' game room and a private video gaming room.

Need to fill your gas tank? Pull into Thorntons, Save More, BP and Advanced.* **Does your car need care?** Island Lake has an assortment of local, registered businesses that provide service to your vehicles or supplies for do-it-yourselfers: Martin's Auto Repair, Quality Mufflers, Interstate Battery, AutoZone and Sharp Auto Body and Island Lake Car Wash.

**Did you know...?* In the 1970s, the Village of Island Lake had 7 (seven) gas stations serving a population of approximately 1,200.

WANTED: New businesses to fill our commercial areas. Go to our website to see what's available to meet the needs of your business: <https://villageofislandlake.com/> and click on the **Retail Properties Available** link in the "News You Can Use" section of the main page. Call Trustee Cermak, 847-526-0177, to explore business options.

Lake Management Committee – Ken Wick (LMC)

As another summer comes to an end and ice starts to form, please be cautious when you are on the lake; *keep away from open water and slushy areas*. Remember, dark ice is often NOT safe!

In order to provide natural oxygen in the lake during the winter months, the Lake Management Committee would like to encourage you to shovel an ice-skating rink or small area on the lake. When the snow is removed from areas of the ice, sunlight can penetrate, which helps create oxygen in the water called Photosynthesis. This is especially important during the winter months. Clearing just a small area can contribute to a healthy oxygen levels. The smaller bays are most affected in the winter.

As a courtesy, please do not drill any ice-fishing holes or drive snowmobiles or ATV's within shoveled areas or ice skating rinks—especially around our public parks. These areas are maintained for the enjoyment of ice-skating and hockey.

Snowmobile and ATV speed limits must be observed. Speed Limit for snowmobiles and ATV's are:

- (Five) 5 mph before 10 am and after sunset.
- Maximum speed for snowmobiles and ATV's is 20 (twenty) mph after 10am and before sunset only

In order to provide a sustaining fishery for future generations, *fish harvesting regulations will be strictly enforced*—especially during the ice-fishing season. Regulations are posted below and available in the Lake handbook or at the Village Hall.

ISLAND LAKE SLOT AND DAILY CREEL REGULATIONS

PER ORDINANCE # 1501-15

The following size, slot and daily creel regulations apply to harvesting fish from the waters of Island Lake:

SPECIES	DAILY LIMIT	SIZE
NORTHERN PIKE	1 (ONE)	MINIMUM 24"
MUSKELLUNGE	CATCH AND RELEASE	CATCH AND RELEASE
LARGEMOUTH BASS	2 (TWO)	14"-18" PROTECTED SLOT
<i>LARGEMOUTH BASS 14"-18" PROTECTED SLOT-TWO FISH LIMIT-ONLY ONE OVER 18"</i>		
SMALLMOUTH BASS	CATCH AND RELEASE	CATCH AND RELEASE
BLUEGILL	15 (FIFTEEN)	MINIMUM 7"
CRAPPIE (ALL TYPES)	10 (TEN)	MINIMUM 9"
PERCH	10 (TEN)	MINIMUM 8"
WALLEYE	2 (TWO)	MINIMUM 16"
CATFISH (ALL TYPES)	3 (THREE)	MINIMUM 15"

HARVESTING OF CARP FROM ISLAND LAKE IS ENCOURAGED

A PERSON FOUND TO BE IN VIOLATION OF THIS CHAPTER SHALL BE SUBJECT TO THE FOLLOWING MINIMUM FINES:
\$100 for the 1st Offense- \$250 for the 2nd Offense and \$750 for the 3rd Offense and each offense thereafter.

Provided by the Island Lake, Lake Management Committee

Focusing on the health, viability and enhancement of Island Lake for future generations.

Activities & Events

2019 has been a great year for events in our village thus far. Our new Oktoberfest event was a major success! Both nights brought in large crowds despite the rain that decided to make an appearance on our last night. Everyone had a wonderful time. Planning for Oktoberfest 2020 has started and we may rebrand the event and will likely make some minor tweaks based on feedback. Stay tuned!

The Events Committee would like to thank all of the Oktoberfest 2019 volunteers, consisting of businesses, village employees and residents, who donated countless hours of their time to ensure the success of the event. Congratulations logo contest winner Rick Newport.

We would like to send a big THANK YOU to businesses that donated to this village event - - listed - -and the many donors who chose to remain anonymous.

Bring the family to the Annual Tree Lighting Festival at the Village Hall on Friday, December 6 from 6 – 8pm.

Tree Lighting Ceremony and Angel Tree

When: Friday December 6, 2019

Time: 6-8pm

Where: Village of Island Lake

- * Crafts
- * Hot chocolate and Donuts
- * Hayrides

Stay warm outside by our bonfires and enjoy a visit with a Very Special Guest.

Would you like to help Island Lake families in need put something special under the tree for their children? **Angel tree tags** will be ready for the tree lighting. If you cannot pick up the tag(s) that night, pick up a tag from the Village Hall.

For information about the Angel tree, call Connie at 847-526-8764 x 7857..

Holiday Meals and Gifts

Tis (once again) the Season...for holiday meals collection. The Village of Island Lake is seeking donations to help provide holiday meals for families in need. Look for the collections jars at the Village Hall and at local businesses through Wednesday, December 18, 2019.

For over 20 years, our generous community has helped us provide holiday meals with all the trimmings from the main course to dessert. Christmas meals for 20 families and Angel Tree gifts will be packed and delivered on Friday, December 20, 2019.

For more information about how you can help, call Connie at the Village Hall: 847-526-8764, ext. 7857.

Interested in volunteering to help with Events?

Contact : Will Ziegler at Will.Ziegler@voislk.com .

NAVIGATING THE VILLAGE WEBSITE & IMPORTANT INFORMATION

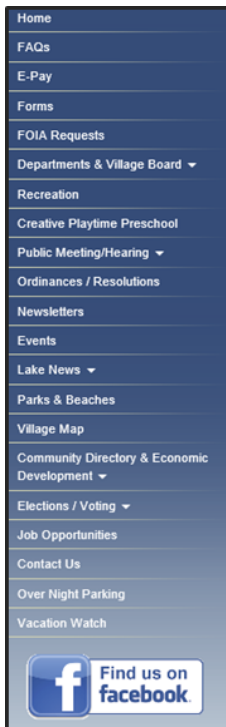

Would you like to find useful information from the comfort of your home and computer? Go to our website at www.villageofislandlake.com, and use the toolbars on the main page to navigate.

Use the vertical blue toolbar on the left, for example, to find various forms—including building permit applications, contractor registrations and owner transfer inspections.

To reach the Village of Island Lake Facebook page, click on the link at the bottom of this toolbar.

Use the “News You Can Use” toolbar on the right to find, for example, the billing schedule and requirements for selling your house.

Scroll to the bottom of the page to the “Make Your Payments Online Now” section for ease of bill and fee payments. **Please note: We cannot take payments over the phone.**

Watch the scrolling banner on the front page for forthcoming activities and notices.

Having trouble locating information on the website?
Call us at 847-526-8764 and we'll help you find it.

Make Your Payments Online Now!

For your convenience, the Village of Island Lake accepts payments online using the Illinois State Treasurer's Office EPAY. Click on the link to pay utility bills and other Village of Island Lake fees. **NOTE: a convenience fee charged by the State of Illinois will be added to your payment for use of this system.**

Accepted: Master Card, American Express, Discover, Visa and E-checks

To purchase non-resident boat stickers call the Village at 847-526-8764

Village Board to Consider Cannabis Ordinance

State of Illinois law will allow adults over 21 to legally purchase cannabis for recreational use from licensed dispensaries, effective January 1, 2020. However, the law prohibits use of cannabis in public places.

While municipalities cannot prohibit the personal recreational use allowed by Illinois law, they can pass ordinances through local zoning authority to limit or prohibit the location of cannabis businesses. They can also impose a tax of up to 3% on purchases of cannabis.

The Planning and Zoning Commission held a public hearing on October 17, 2020 to consider the zoning issues. The Village Board will consider a cannabis ordinance at the December 12, 2019 meeting.

ISLAND LAKE RECREATION DEPARTMENT – LORI TANZILLO

www.villageofislandlake.com 847.416.7866 Fax 847.526.5961

It seemed to be a very short autumn with winter roaring in very early November!! It's going to be a long one.

We had a great fall with our new classes starting, such as Yoga with Denise, and young children's sports classes. We welcome new instructors from "Sports-R-Us", Miss Cheryl, Miss Shannon and Mr. Randy. Thank you for joining our other wonderful programs.

Zumba is still going strong with our amazing instructor Lorraine Haye. Zumba has a variety of times and days, remember you can try any of our classes for free. That also includes Guitar lessons with Michael Ripoli who is a great instructor and very accommodating to the days you need. Look inside for classes that are running and the times. As always if you have any questions please give us a call!

We will take Sweet Heart Dance registrations on Feb 7, 2020. This year's theme is "The Royal Ball". It will be here before you know it! Registration forms will be available in December.

It was a great turnout for the return of "Trunk-or-Treat". We have our winners 1st, 2nd, and 3rd pictured on the right, plus some other fun pictures from the night. We hope to have this grow into a great fall event for the "Children" and their families. We hope to keep adding more fun activities as the years go.

Last, but she is certainly not least in my eyes, is my awesome assistant Kelli Anderson and as the children know her as "Miss Kelli". Miss Kelli started as a Club Counselor, then the P.M. Club Supervisor (and still is when needed) and now my much needed Administrative Assistant. The Recreation Department handles the Before and After School Care at Cotton Creek School, the "Camp Greenleaf Program" at the Village Hall in the summer, all of the sports programs such as T-Ball, Nerf, young children sports & seasonal classes, the annual "Holiday Craft Fair", organize and plan all summer field trips as well as days off school field trips, and so much more...

I want to Thank Kelli for all she does to help me. I can count on everything getting done efficiently and quickly. She is a great asset to the children, the Village and especially to me, Kelli you ROCK!

Have a fun and safe winter and please do not hesitate to contact Kelli or me with any questions and/or any new ideas to bring to our programs.

Sincerely,
Lori Tanzillo

Creative Playtime Preschool

Openings still available for 2019-2020
Registration for 2020-2021 begins February 4th

OPEN HOUSE:
Wednesday, January 29th, 5:30 – 7:00 p.m.
Email: carmen.brush@voislk.com or Phone: 847-526-8795

It is our goal to provide a variety of exciting, stimulating activities each day so that your child can develop socially, emotionally, physically and mentally to the very best of their ability. Your child will engage in age appropriate activities designed to expand their understanding, increase manipulative skills and promote creative potential. Our curriculum includes structured playtime, art, music, story time, introduction to basic reading, math skills and more. We would love to have your child be part of our preschool family.

REGISTRATION INFORMATION

- 1) Registration forms available at the Island Lake Village Hall and on the village website, www.villageofislandlake.com. One registration form per child.
- 2) Creative Playtime requires a **nonrefundable** yearly registration fee of \$65 (Includes a \$15 Activity Fee) for Pre-K and \$50 for Threes & Twos, due at the time of registration. **Checks should be made payable to the Village of Island Lake.**
- 3) Bring the registration form, state registered birth certificate and registration fee to the Creative Playtime Office at the Village Hall, 3720 Greenleaf Avenue, Island Lake.
- 4) No tuition refund after current session has begun. Refunds are subject to administrative approval and will require a \$20 handling fee.
- 5) We reserve the right to consolidate, change time or cancel a class due to registration.

Minimum 8 students per class.

2- YEAR OLD

For children born between
Sept. 2, 2016 and Sept. 1, 2017
12 STUDENT MAXIMUM

This class will provide hands-on and child - centered activities and projects geared to the attention span of a two year old. It will help with socialization and separation as well as introduce concepts such as name, shape, color, number and alphabet recognition. This class is designed to be without parents. Separation is encouraged prior to the start of class in the fall.

2 Days/week
Fee: \$100/4wk session

Section 9: Mon & Wed AM

Island Lake Lions

Thanks to all who made the 2019 Corn Fest a success!

Mark your calendars for our next big event: 2020 Ice Fishing Derby on Saturday, February 1, 2020 - ice permitting. As in decades of derbies, this one promises fun, fish, and prizes (and no frostbite for those who dress for the weather).

We're always looking for new members to join our club. Are you young or mature, male or female? Join us in community service and activities. Our local club is part of the international organization with the mission *"To empower volunteers to serve their communities, meet humanitarian needs, encourage peace and promote international understanding through Lions clubs."*

Join us for one of our monthly dinner meetings at a local eatery—usually on the 3rd Wednesday of each month @ 7:30pm. Meeting locations are noted on our website.

For all Island Lake Lions Club information—membership, meetings or events, call President Geoff Zivic 224-715-0481 or email liongeoff@sbcglobal.net.

Visit our website at www.e-clubhouse.org/sites/island_lake or Facebook @ Island Lake Lions Club.

Island Lake Senior Club — Cathy Christiansen

2019 Senior Club Meetings Second Tuesday of the month Start Time 12:30 PM

We are starting our 40th year of the Island Lake Area Seniors Club. Won't you join us this year? We are always looking for new members and fresh ideas. If you are at least 55 years old, you are invited to check us out, where our members are always friendly. You don't have to be a resident of Island Lake to join.

We meet the second Tuesday of each month in the Senior Center at the Island Lake Village Hall, 3720 Greenleaf Ave. Meetings start at 12:30 PM; doors open at 11:30. Coffee, tea, and refreshments are served. A small door prize or cash is awarded to one person at each meeting via a drawing. We also have raffles periodically.

Potential members are invited to come to one meeting free of charge and enjoy whatever activities we are doing. If you decide to join, dues are only \$18 per year, (starting in July the cost to join is \$9.), which includes a reduced cost for the St. Patrick's Day luncheon and Christmas luncheon.

Any questions? Please call President Catherine Christensen at 262-237-2961.

Annual Christmas Luncheon will be Dec 12 at J&Ds in Wauconda.

The following is a tentative list of activities for 2020. *Note: Changes may occur since we are still in the planning stage.*

Jan 14 – Event TBD: Maybe pizza and Bingo?

Feb 11 – Event TBD

Mar 10 – St. Patrick Day luncheon at J&D's in Wauconda?

Apr 14 – Wauconda Funeral Home Presentation

May 12 – Indoor Picnic-Price TBD

June 9 – Nominations for President and Vice President; Entertainment-Steel Drums

Historical Society of Island Lake – Connie Mascillino

This house was likely the most unique home in the history of Island Lake. There were no neighboring homes; the yard surrounding it was downright huge; it had the best view of the lake; and it couldn't be reached by car.

In the 60's, the Ghisell family of Evanston purchased the Island and built a summer home on it. The two bedroom home had a river rock fireplace, hardwood floors and an enclosed porch. The property also included a small parcel of land on the north end of Landsend Ct. Access to the island was only via boat.

How do you get supplies to and from the island, especially when ice was forming and breaking up—roughly a four-month timespan? The challenge faced those making a year-round home there.

Planning to make it a park, the Village purchased the island from Mr. Ghisell for \$65,000 in 1979. Neal DeYoung, a Village water department employee, moved into the house and became "caretaker" of the property, rowing his way to and from work. The last inhabitants were a young married couple who rented the house four years and paid rent of \$50 per month.

When the drought of 1988 dried up the part of the lake that surrounded the island, a path was made from Midway Drive to the island to allow the Wauconda Fire District to do a controlled burn of the abandoned house. That end of an era began the Village's quest to finally make the island a park.

The Historical of Island Lake appreciates your support as we strive to preserve the past for the future. Check out our Facebook page or contact us at mccm46@att.net.

2020 Historical Society Calendars are now available for \$8.00 and make great holiday gifts. Pick one up at the Village Hall or call Connie Mascillino, 847-416-7857.

ISLAND LAKE WOMAN'S CLUB by Dona Willard

ISLAND LAKE WOMAN'S CLUB THANKS ALL ITS SPONSORS, DONORS AND FRIENDS

As the Island Lake Woman's Club gathered for our semi-annual luncheon, this small group, in its 76th year of existence, agreed that we never would have survived this long without a long list of sponsors, donors, cooperating local organizations, and our many friends in the community. We thought about the Faith Community Church, who asked us for help in the Exodus program, in equipping and setting up everything necessary in their new home for immigrants who are coming to the U.S.

Island Lake Woman's Club Members Left to right: (standing) Carol Sanders, Linda Gore, new member Phyllis Croswell, Crystal Sanders, Dona Willard, Ann Murray, Kay Kolacki, Merrily Fantus and Pat Haynes; (sitting) Ginger Sheneman and Joan Kreiling

Thank you to our faithful supporters this year and throughout the years. Thanks to all our families, friends and neighbors for participating in our fundraising Flower Power program. Thanks also to the Village of Island Lake for repairing the woodwork on the two Village Garden Gates that we have maintained for many years and to the owners of Kisselburg-Wauconda Funeral Home, who respond to our request for sponsorship funds with a generous gift every year to allow us to continue our many charitable donations. Thank you to our friends who collect pet food and supplies to donate to the House of Hope Pet Food Pantry, to which we are a major donor. It seems that we have as many friends as we have charities and local institutions that we support. The Island Lake Woman's Club continues to prove that small groups and small towns can and do get together to make a difference in the world.

Interested in joining us and helping with our work? Please call Dona Willard at 847-526-3408, or email donawillard@comcast.net. Meetings are held on the second Thursday of the month in the Senior Center of the Village Hall. Luncheon is served at 12:00 P.M.

VICTORY GARDEN

Many were the challenges of the 2019 gardening season!

The weeds and insect pests enjoyed the heat and torrential rains while we gardeners had to step up our game to keep up.

Thank you to the small but mighty band who brought their talents and tools to prepare the Garden for her winter rest on Saturday, October 26. If you haven't already, make sure to

- Wash and dry your garden tools. Wipe your clippers with alcohol after cleaning them.
- Reserve your plot for 2020 (call Connie at 847-416-7857).
- Mark your calendars for Saturday, April 25 for the 2020 opening of the Victory Garden. (The Saturday after Earth Day.)

Thank you to Brian Bartnick and Public Works for their support this gardening season.

If you wish to make anything grow, you must understand it, and understand it in a very real sense. 'Green fingers' are a fact, and a mystery only to the unpracticed. But green fingers are the extensions of a verdant heart. — Russell Page, The Education of a Gardener

Wauconda Township* Senior Events and Services

**NOTE: All Island Lake Seniors are welcome to attend events.*

December 4 and 11, 10–11:30am: Memoir Writing. Explore what memoir writing is and ways to improve. Work on your memoir in Session 1; Share a short piece of your work in Session 2. Location: Wauconda Park District, 600 N. Main St. Cost: \$4.

Interested in serving on the Nunda Township Cemetery Board? Go to <http://www.nundasupervisor.com/> to download an application.

WAUCONDA FIRE PROTECTION DISTRICT

The tools of firefighting have come a long way since the early days of volunteer bucket brigades. Originally formed as the Wauconda Niagara Fire Company in 1889, the Wauconda Fire District now serves approximately 40,000 people in several communities and some unincorporated areas of Lake

and McHenry Counties 'round the clock with state-of-the-art equipment and highly trained personnel. On Saturday, September 28, 2019 at Station 2 in Island Lake, the District introduced a 2019 Rosenbauer Commander Fire Engine, designed especially for service in Island Lake.

Winter Safety Tips

Numbers to keep in mind. (approximate)

- ⇒ **47,000 fires** occur during the winter season in the U.S.
- ⇒ **240 house fires** start from Christmas trees
- ⇒ **350 people are injured** every year by broken lights
- ⇒ **150 house fires** are caused by holiday lights
- ⇒ **11% of Christmas tree fires** are caused by candles; 20% are caused a tree too close heat source
- ⇒ **Top 3 days** for home candle fires: Christmas Eve, Christmas Day, and New Year's Day

Holiday Tree and Decorations Safety:

- A UL-listed, "flame resistant/retardant" artificial tree is a safer option to a fresh tree.
For fresh trees, choose one that needles don't easily fall off and add water to it every day; place your tree at least 3 feet away from all heat sources; take down and recycle tree less than 4 weeks after putting it up.—**Don't Burn**—
- **Do not overload extension cords**; Replace worn, old or damaged extension cords right away.
- **Keep candles away from flammable objects**; consider using flameless candles for your holiday decorations.
- **Turn off all decoration lights before you go to bed AND while you're away** from your home.
- **Take down outside decorations sooner than later** to help them last longer; replace damaged decorations by hitting up sales after the holidays.

Install smoke alarms on EACH LEVEL of your home, in or near your kitchen, and in sleeping areas.

Keep snow and ice 3 feet away from fire hydrants.

NO ICE IS SAFE ICE!

The Wauconda-Island Lake Food Pantry,

located at 505 W. Bonner Rd. (behind the Wauconda Township Office) is a nonprofit organization serving an average of 248 families monthly in the Wauconda/Island Lake area. **Contact them** at 847-526-8684.

A collection box is located at the Village Hall.
(no perishables)
