## Minimum/Maximum Signature Requirements for Candidate Petitions

The State Board of Elections provides the formula below for calculating required signatures for candidate petitions. Go to their website here for more information: <https://elections.il.gov/>  
*Sec. 10-3. Nomination of independent candidates (not candidates of any political party), for any office to be filled by the voters of the State at large may also be made by nomination papers signed in the aggregate for each candidate by 1% of the number of voters who voted in the next preceding Statewide general election or 25,000 qualified voters of the State, whichever is less. Nominations of independent candidates for public office within any district or political subdivision less than the State, may be made by nomination papers signed in the aggregate for each candidate by qualified voters of such district, or political subdivision, equaling not less than 5%, nor more than 8% (or 50 more than the minimum, whichever is greater) of the number of persons, who voted at the next preceding regular election in such district or political subdivision in which such district or political subdivision voted as a unit for the election of officers to serve its respective territorial area.*

The **April 2, 2019 election Canvass of the Vote totals** for Lake and McHenry Counties are on page 2.

Minimum signatures: 36\*; Maximum signatures: 86\*

\*Minimum/Maximum signature calculations are based on calculations provided courtesy of the Lake and McHenry County Clerks and *should not be construed as legal advice*. Candidates should calculate minimum/maximum signatures according to the Illinois State Board of Elections formula and consult
