## History of Island Lake Woman's Club

In the summer of 1943, a few ladies founded the Island Lake Woman's Club. Soon after its first meeting, there were over 80 members. At that time, approximately 350 Island Lake families were year-round residents, with a total of 72 sons and daughters in the service during World War II. The Woman's Club sent them cards, letters, and packages.

The Island Lake Woman's Club is proud to still reach out to Veterans by supporting Veteran's charities, including Soldier's Best Friend and Valentines for Vets.

**The Village of Island Lake, on February 28, 2013, presented a plaque to the Island Lake Woman's Club to honor their philanthropic service on the 70th anniversary of the founding of the club.**
