3. Committee Reports and Recommendations:
 - a. Parks
 1. Parks Scorecard: All parks inspected for signage, Landscaping, equipment, parking, life rings, emergency calling, trash receptacles and safety issues. Will have quarterly inspections moving forward.
 2. Parks & Lakes Survey: To be distributed to the public for input. Georgine Cooper to send out email and Lynn Fosco to contact survey analysis.
 3. Public Works Punch List: Congratulations Chris Carlson new Public Works Director! Developing maintenance program to address the needs of the parks.
 4. Parks signage: Posting rules and surveillance goals for next season.
 5. Clean up day effort-completed projects: Big Island clean up a great success. To partner with public works on future projects.
 6. Upgrade of ball fields: Power to the lights and announcer.
 7. Police PR Awareness/Vandalism: VOIL new website company to construct a link to report directly to VOIL any issues observed by the public.
 - b. Lakes
 1. Blue/Green algae protocol: Several department team approach to address and alert the public to the presence of health risks and beach closures.
 2. Signage: Unify the beach signage across all the beaches.
 3. Carp Fest as Lake Management: DNR approved Past Carp Fest run by the LIONS. The Lake Management had an insurance policy to cover prize money winnings. Usually done around the spawning time of year. Will coordinate with Bangs Lake Carp Fest. Will be a three-day weekend event, date to be determined.
 4. Aerator Management: Environmental Aquatic Management (EAM) have pulled clean and storing for the season. Will relocate aerator sites to needed places on the lake. Discussion for the location at little island bay next season.
 5. 2/4 Stroke Engine Ordinance Recommendation: Goes into effect 1-1-2022 to postpone to 2023 to allow for engine supply issues. Also, next boat license form to indicate if the engine is a 2 or 4 stroke. These engines release oil into the lake.
 6. Fish Stocking update: Season closing on fish stocking. The DNR will be conducting fish shock on 10/22/21 at 10 am. Public works will provide dumpster for fish removal at Eastway boat launch.
