VILLAGE OF ISLAND LAKE

VILLAGE OF ISLAND LAKE

LAKEVIEW DRIVE BRIDGE AT ISLAND LAKE

PUBLIC INFORMATION MEETING

THURSDAY, APRIL 13, 2023 | 5:00 PM - 7:00 PM

**ISLAND LAKE VILLAGE HALL
3720 GREENLEAF AVENUE - ISLAND LAKE, IL 60042**

LAKEVIEW DRIVE AT ISLAND LAKE BRIDGE REPLACEMENT

PURPOSE OF THE MEETING

The purpose of this public information meeting is to introduce the project, review the existing conditions, present alternatives and gather input and information from the community and public. Your comments are important to the project process. We are seeking your input on the data gathered and alternatives developed to date.

BRIDGE CONDITION

The condition of a bridge is rated on a scale of 1 to 100. Any rating less than 50 is eligible for full replacement. The most recent rating of 49.6 is from 2021. The bridge was built in 1975 and the existing cross section of the bridge does not meet today's design standards.

PROPOSED IMPROVEMENTS

- ⇒ *Reconstruct the bridge*
- ⇒ *Provide parapet walls instead of guardrail*
- ⇒ *Remove the sidewalks*
- ⇒ *Raise the profile to improve boat passage*
- ⇒ *Reconstruct approach pavement*
- ⇒ *Add drainage components*

PUBLIC INPUT

Island Lake is looking to gather input and information from the community and public. Comments and questions are welcome anytime, but must be received by the Village's consultant [BLA, Inc.] **before 4:00 pm April 27, 2023** to be part of the project record.

Written comments and questions can be submitted during the meeting; they can also be mailed or emailed to BLA, Inc., the Village's consultant [project contact information is on the back of this brochure].
