

# Become an Adopt-a-Park Volunteer Today!

Do you love spending time outdoors or on the lake? Want to help keep Island Lake clean, safe, and beautiful? Then join the Adopt-a-Park Program today!

As a volunteer, you will adopt one of our 15 parks or 5 beaches and commit to keeping the park clean for everyone to enjoy. You will also have the opportunity to meet neighbors, and make a difference in your community. By working together, we can ensure that the Village of Island Lake Park remains a safe and enjoyable place for all visitors!
