

Resolution No. 703-25
Authorizing the Funding for the Lakeview Bridge Replacement Project

WHEREAS, The Village of Island Lake desires to reconstruct the Lakeview Drive bridge (Structure Number 056-6350);

WHEREAS, the Lakeview Drive bridge is currently “structurally deficient” and warrants full replacement;

WHEREAS, the Surface Transportation Program-Bridge funding program through the State of Illinois offers federal aid funding for bridge replacement projects. The federal aid program will fund 80% of the Phase II Engineering for the project with a 20% match from the Village of Island Lake;

WHEREAS, the Village of Island Lake will fund the total Phase II Engineering with their MFT funds and request reimbursement up to \$62,400 of the original federal participation amount.

WHEREAS, Village of Island Lake and the selected engineering consultant for this project, BLA INC, has prepared the funding agreements for consideration.

NOW THEREFORE, BE IT RESOLVED by the Mayor and Trustees that the subject project is hereby declared approved for submission for federal aid funding through the Surface Transportation Program-Bridge for Phase II Engineering in the total amount of \$271,958 where \$62,400 will be reimbursed by the federal program, \$54,358 will be funded through previously allotted Rebuild Illinois Funds and the remaining \$155,200 will be funded by the Village of Island Lake General Fund.

Adopted this the 23th day of October, 2025.
